A NEW BEGINNING . . .

As Kimball enters its second quarter century, many changes are evident in the school and its annual. Students arrived in August to find that the school day had been lengthened, new disciplinary procedures put into action, candy sales banned, grade point averages revised, and wearing shorts outlawed.

The *Excalibur* reflects these changes with some of its own. The summer delivery (instead of the usual spring) is the most notable. For the first time in 6 years, Co-Editors teamed to put out the 1984 *Excalibur,* and for the first time ever, one of those editors was a junior.

These changes have created a new Justin F. Kimball for 1984; a school that resembles its 1958 beginning in name only. The 1984 *Excalibur* is one representation of this "new beginning," and therefore it is dedicated to past, present, and future Knights whose involvements, exploits, and endeavors here spotlight only the frontiers of their own beginnings.

EXHAUSTED AND FOR WHAT?

"One more time; this time *don't* march in so fast." "That D.J.'s *not* quite right, we'll have to interview another one." "Maybe if you put just a *little* bit more feeling into it . . .". These are often heard by students from sponsors.

It's never quite right; they always push for more. Six weeks of rehearsals for just one play. Ten different Disc Jockeys to interview for the Military Ball, when the one before the last one seemed just fine. Up at 9:00 a.m. for rehearsal for graduation.

You're too tired to go to the party; you don't have enough free time to attend the concert; too exhausted to go to see your favorite movie. Why do Kimball students give up so many privileges? Award winning plays, the best Military Ball ever, the proudest graduation class in the Dallas Independent School District and many other complementry activities faculty and students of J. F. Kimball can be proud about. Why? Because we're the school "That Always Seeks The Best."

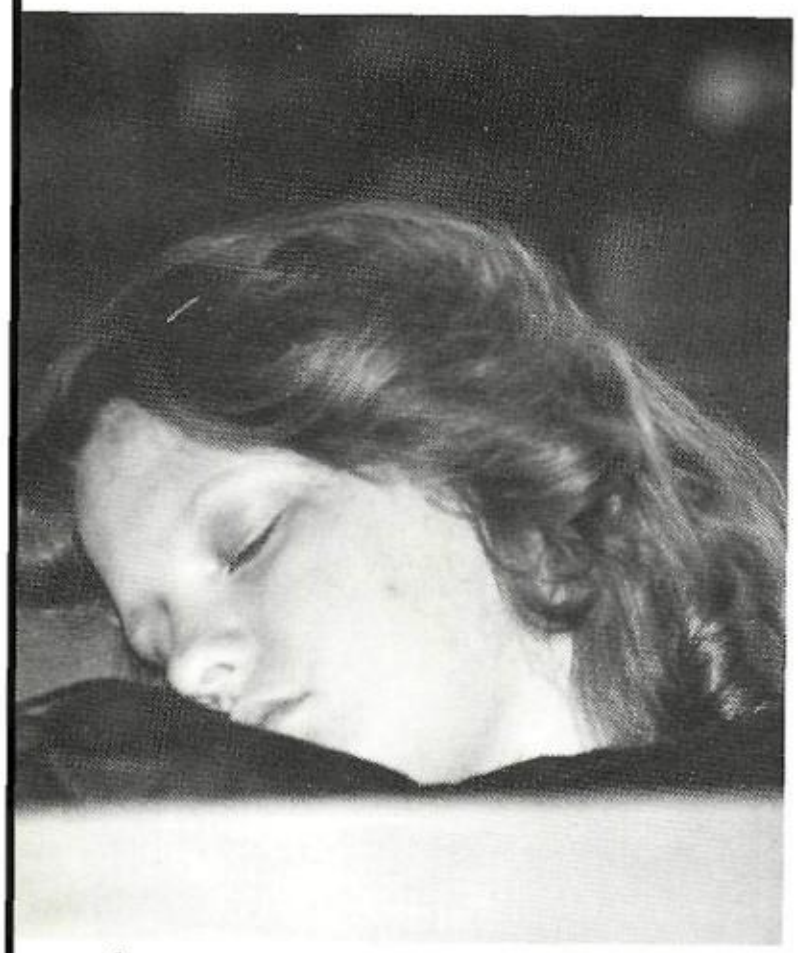
PEP ASSEMBLIES: GONE BUT NOT FORGOTTEN



1

2

This year's pep assemblies were very different from those of the past, and not always for the better. Several incidents occurred which caused many problems, and eventually led to the closing of the balcony. Such childish acts as throwing ice, toilet paper rolls, footballs, and eggs at students and the football team, brought an early end to a few assemblies and added to the disinterest of the audience.

In the past, Kimball's pep assemblies have always focused on the athletes and their upcoming contests, and although this year's team posted an excellent record, most students who attended the assemblies were more concerned about eggs falling on their heads than in following the cheers.

HOMECOMING BRINGS JOY TO KIMBALL

Homecoming Queen and King

Kimberly Barnes and Calvin Holley

The Homecoming of 1983 was more than just another Homecoming. After an unsuccessful game the week before, the Knights came out looking for Bison Blood. Unfortunately for Sunset, the Knights wanted more than just a victory.

The game was especially significant because it was dedicated to a friend as well as a teacher of many students at Kimball High, Mrs. Jonell Harvey, who passed away Nov. 13, 1983, the day before Homecoming. The team honored her memory by beating Sunset 28-0.

KNIGHTS CHEER, DANCE THE NIGHT AWAY

At 9:15 a.m. on Nov. 14, Kimball's auditorium was packed with scarlet and navy. Stuffed animals, mums, ribbons, and Kimball T-shirts filled the room. Yells from cheerleaders, dances from Troubs and shouts from the audience set the day in motion.

The bell to end the pep assembly didn't stop the Homecoming mood. Following the football team's victory over Sunset, students filled the W. P. Durrett Gym to dance and await the announcement of the Homecoming Court.

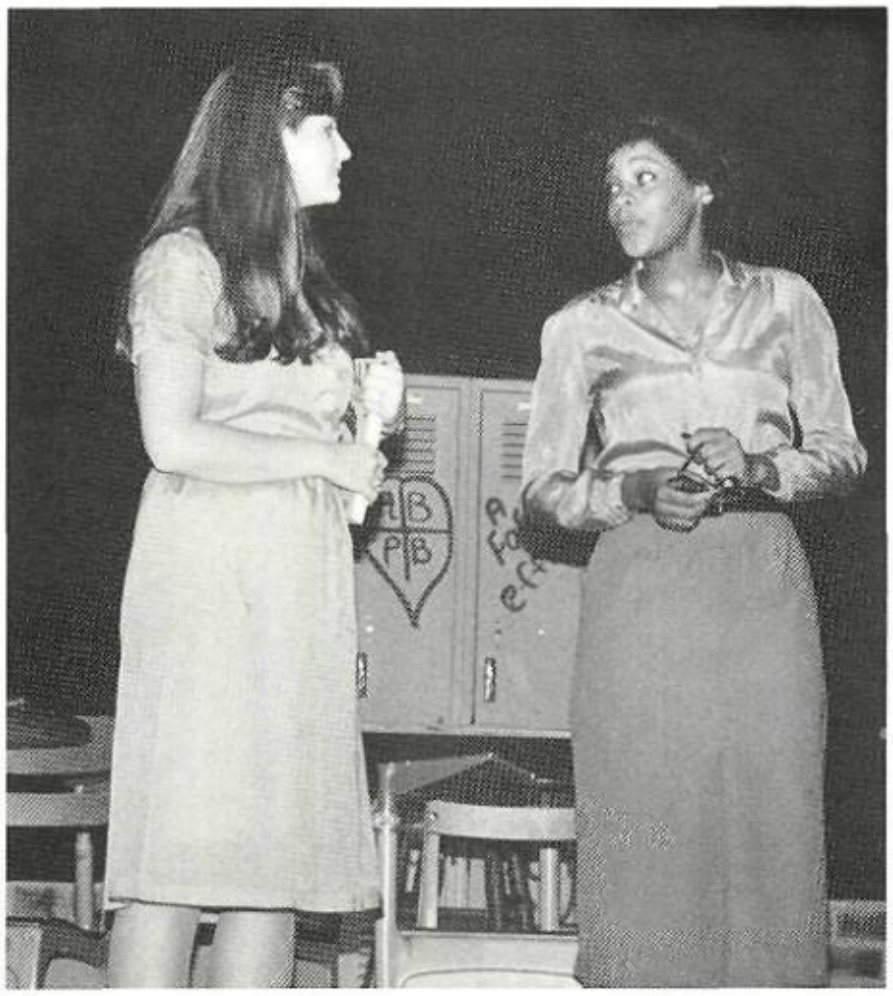
FALL PLAY GOES TO SCHOOL



1

This year's fall play, *Up the Down Staircase*, was one of the many productions done by theatre director, Brenda Prothro, who is the big boost behind all of Kimball's wonderful creations in the theatre department. *"Up the Down Staircase,"* as said from a member of the crew, "was a funny but touching play."

Up the Down Staircase was about a teacher who takes her first teaching session in a rough New York High School. To her realization most teachers were unconcerned about students, but being a very caring person herself she continued her teaching career and became concerned with students.

"The happenings in the play were true to life for the students and teachers of today," said drama teacher, Brenda Prothro.

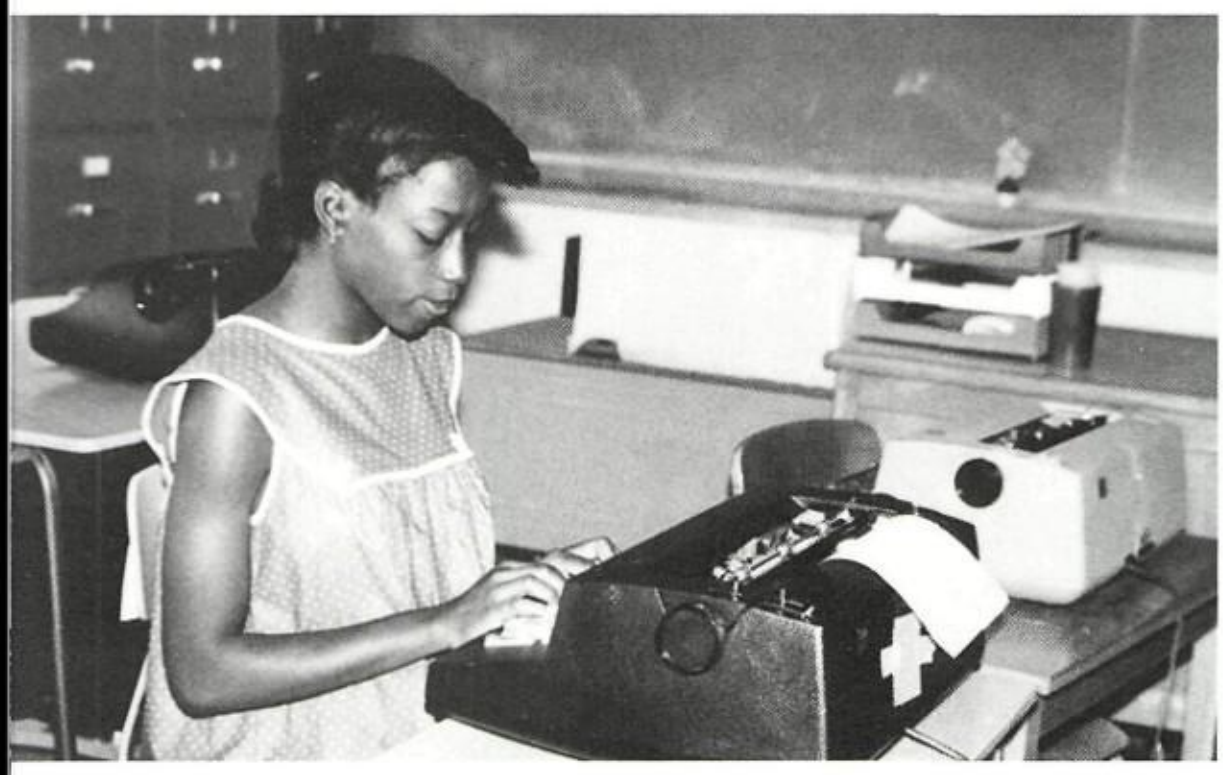
STUDENTS PLACE HIGH AT UIL MEET



In March, various departments at Kimball sent representatives to Eastfield College to participate in the Spring UIL Literary Contests. Several students distinguished themselves and Kimball by placing highly in their selected events. Winners included Russell Jackson, first in calculator applications and fourth in spelling; Rhonda Haynes, first in typing; Laura Phillips, second in ready writing; Kimberly Brooks, third in typing; and Barbara Guinn, fourth in poetry interpretation.

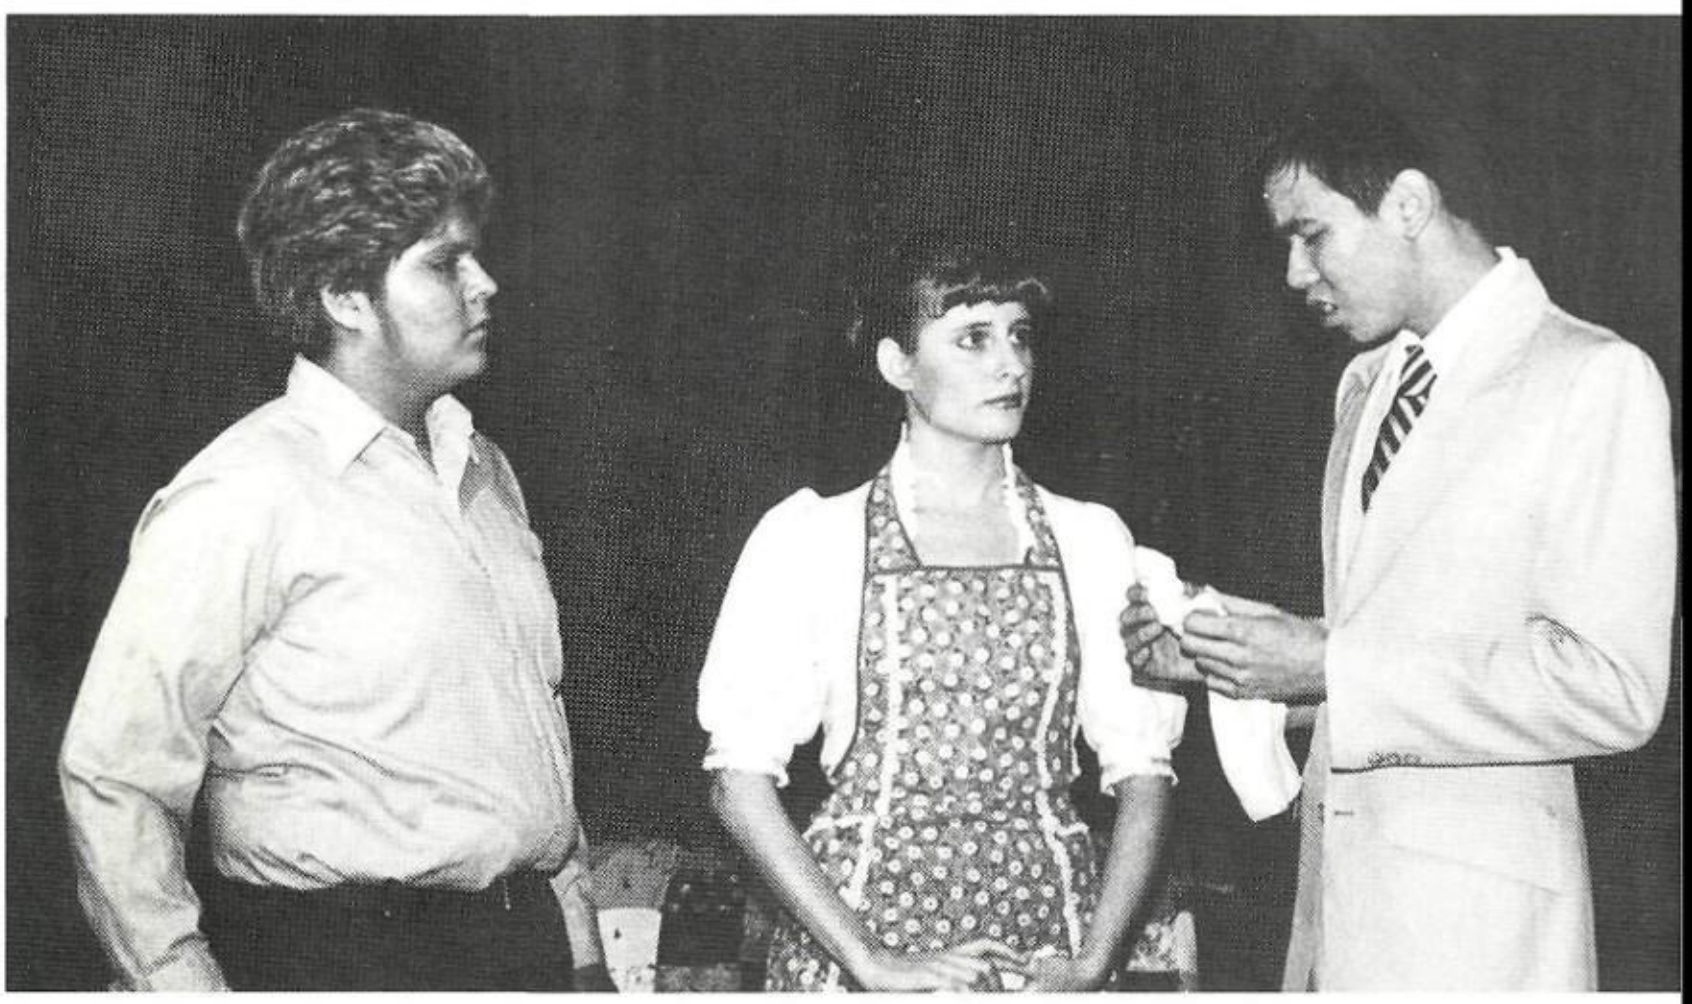
6. Russell Jackson takes time out from his computer to flash a smile for the camera.

EXPERIMENTAL THEATRE PRODUCES PLAYS



This year's Experimental Theatre consisted of two plays. "The Marriage Proposal," directed by Barbara Guinn and "Butterflies are Free," directed by Patty Hamilton. The Marriage Proposal is a Russian play about a nervous landowner named Ivan Vassilivitch (Jeff Guey) who attempts to court the beautiful and proper Natalya Stepanova (Terri Pollard) daughter of Stepan Steponavitch (James Garza). The second play "Butterflies are Free" is about a blind young man named Don Baker (Shay McQuaid) who attempts to make it in society away from the apron strings of his over protective mother (Melissa Garvin). Don meets and becomes friends with Jill Tanner (Melinda Barnes) who shows him a whole new life that his mother doesn't approve of. Everybody is shocked when Jill decides to move in with a homosexual movie director (Steve Riggs). Both plays had their share of humor and seriousness. Patty Hamilton stated, "It was quite a challenge. It took a lot of work from everyone to make it a success."

SWEETHEART ANNOUNCED AT MILITARY BALL

The 25th Annual Military Ball was held Jan. 20, at the Knights of Columbus building. Highlighting the evening was the crowning of Drill Team Sweetheart Linda Alegria as Battalion Sweetheart. She was given the honorary rank of Lt. Colonel.

"This year's Military Ball was fun and exciting. Being crowned Battalion Sweetheart was an honor and a privilege. I hope next year's sweetheart will honor the title as I do now," said Linda.

Music for the evening was provided by the Kimball Knight Beats. Cadet M/SG Jeffrey Guey added, "This year's Military Ball was a night to remember."

CAT'S MEOW III: A LION-SIZED SUCCESS

The third annual presentation of the Justin F. Kimball Creative Arts Department — Cat's Meow — showcased the combined talent of the choral, drama, and music classes. Cats III was directed by Mr. Atherton, Ms. Prothro, and Mr. Wis. "Of the three Cats so far, this has achieved the goal of high-caliber entertainment," stated Ms. Prothro. The program included solos by various singers, lab band numbers, and a juggling act. In addition to these, special selections from "A Chorus Line" were choreographed, sung, and performed by the New Tymes Singers. The stage crew contributed their time and effort to putting together the stage, which resembled a cabaret. After the show was over, the PTA provided a party for the cast, which was held on the stage. Mr. Atherton said, "The success of Cat's Meow III serves to validate the fact that Kimball has immense talent in the Fine Arts Department."

KIMBALL HOSTS ONE-ACT PLAY

Jean Giradoux's play, "The Mad Woman of Chaillot" was presented under the direction of Ms. Prothro at the U.I.L. District 11-AAAAA One-Act Play Contest, March 22, 1984, which was held this year in the Kimball High School auditorium. The play was a fantastical presentation of the old adage, "Money is the root of all evil." In the end, the mad woman triumphed over the evil by sending it into the sewers of Paris.

TROUBS WIN POWDER PUFF 36-14

The annual Powder Puff football game between the Sunset Bisonettes and the Troubadears ended with the traditional route of the Bisonettes by the score of 36-14. As always, Kimball totally dominated the game, showing their power as Shari Simpson scored in the first two minutes of the game. Shari ended up with 14 points and Beckie Spicer led all scorers with 22.

Cheering the Troubs to victory were the 1984-85 Varsity Cheerleaders in their new uniforms. Also on hand were the Troubadarlins who performed their halftime routine to "Hardtimes", and delighted the crowd with their original costumes and moves.

This year's Bisonette team included many Sunset female athletes who aren't on their drill team. Troub sponsor, Dianne Everett suggested at the end of the game that next year Sunset should send their boys' football team to play the Troubs.

A DANCE WE'LL NEVER FORGET

Date: May 11, 1984.
Time: 8 p.m.
Place: International Ballroom, Fairmont Hotel.
Dress: Formal.

Mercedes, BMWs, and Limos fill the parking lot of Dallas' only 4-star hotel as future graduates and their invited guests occupy the hotel's largest ballroom. Young ladies dressed in extravagant gowns and gentlemen attired in formal tuxedos begin to loosen up and start to dance around 9:15. By 9:45, the group is jumping, skating and breaking across the floor.

This isn't just any dance. To Kimball Seniors, this is the party that they have been waiting for. This is the one that they will never forget. This is the Justin F. Kimball 1984 Senior Prom.

OUR MARCH WITH PRIDE . . . LOOK OUT WORLD

Graduation Exercises began at 8 p.m., May 25, as the band struck up the traditional "Pomp and Circumstance," and the seniors filed solemnly into Memorial Auditorium. As they sat listening to the speakers, their thoughts reflected on no more books, no more early wake ups, no more lunchroom food . . . but these were the worst of the best. There will also be no more dropping in on that favorite teacher in the mornings or seeing all your best friends everyday. They will miss Kimball and Kimball will miss the Senior Class of '84. As the final prayer was spoken the graduates began their road to the future. Lookout world!

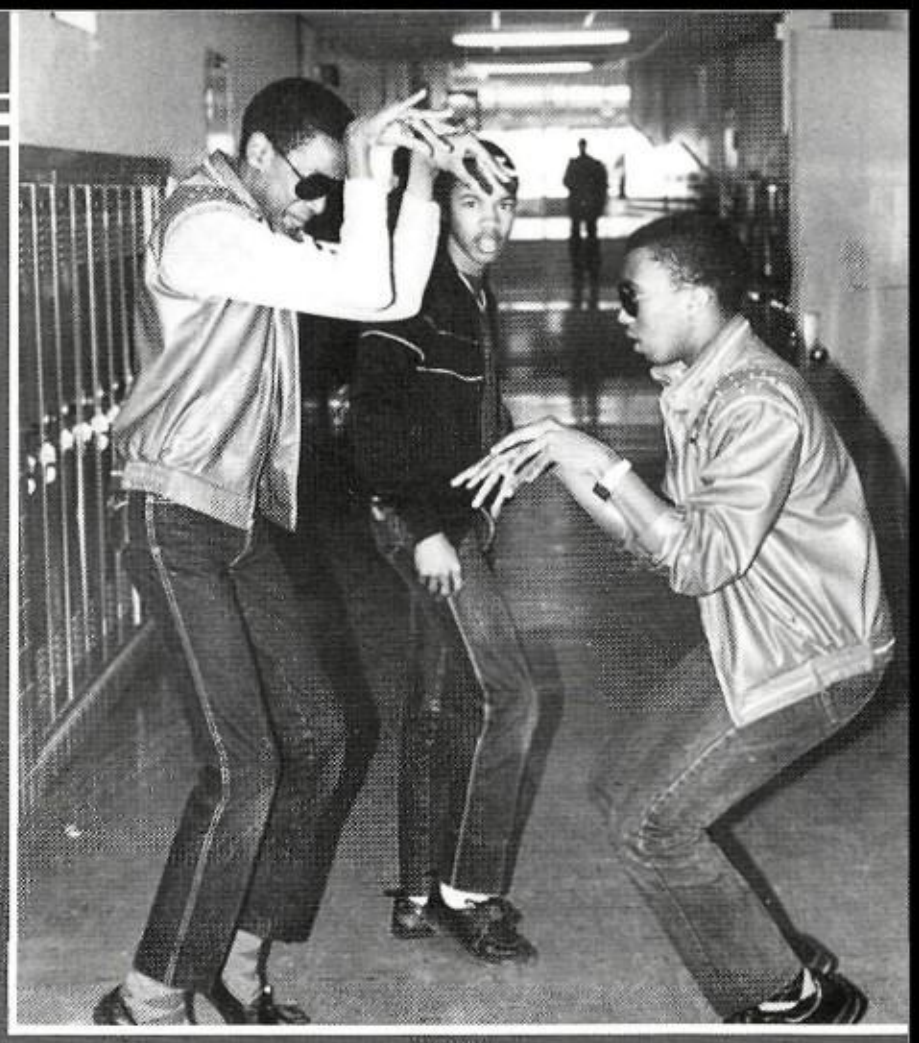
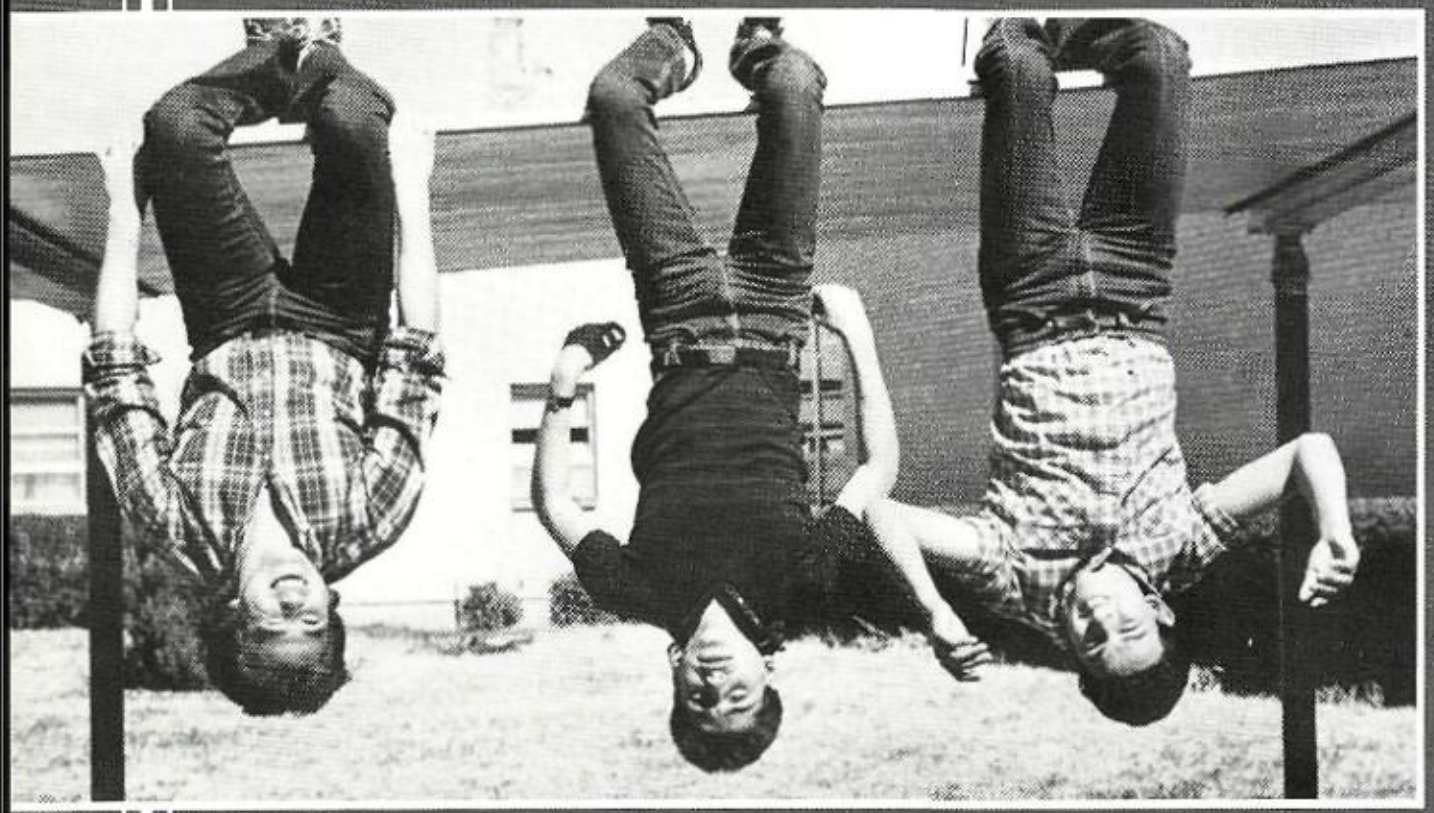
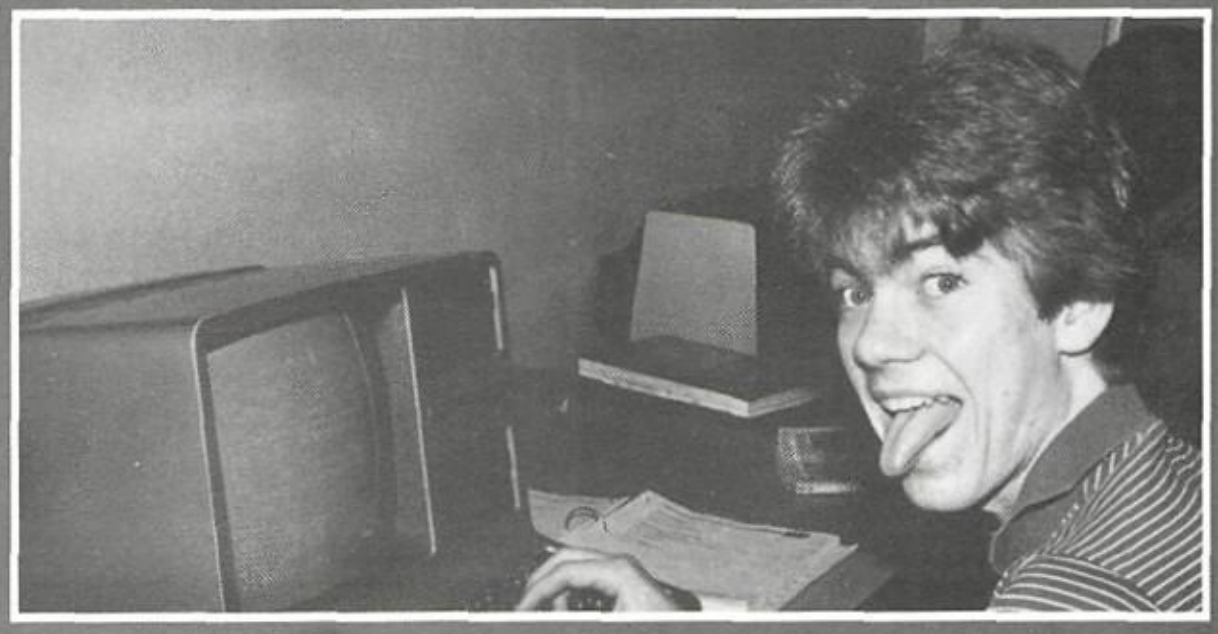
INVOLVEMENT

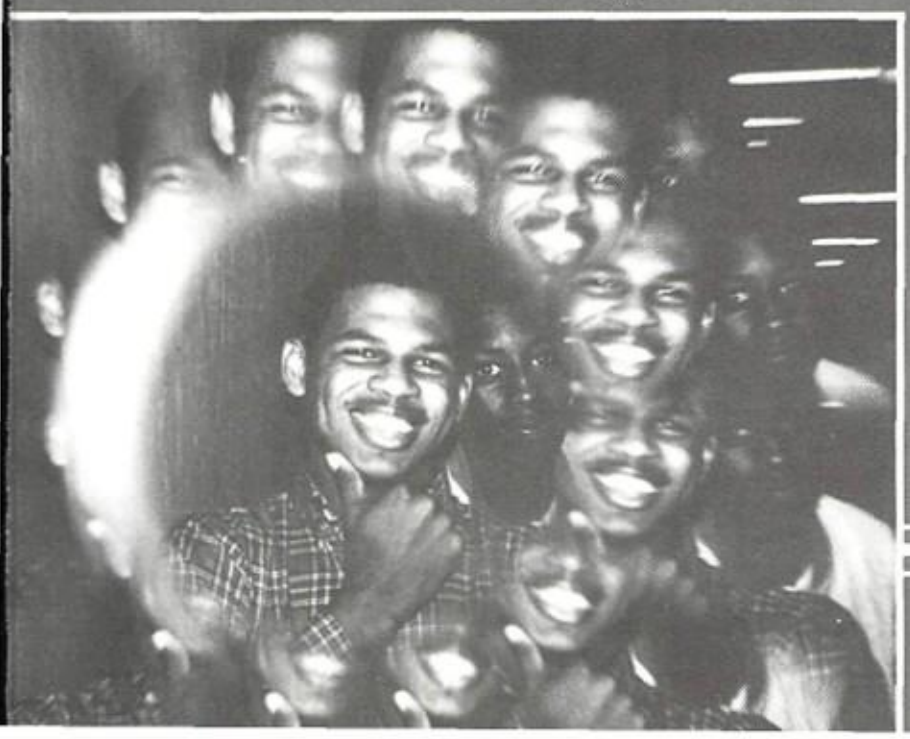
INVOLVEMENT

In a perpetual search for fulfillment, Kimballites are given opportunities to express their talents in the fields of music, acting, writing, and leadership, through the functions of organizations. By participating and learning to contribute to others, we gain a sense of confidence that enables us to branch out into other activities. Not only does this teach us cooperation and teamwork, but personal responsibility as well. Involvement in school events not only results in satisfaction and self-fulfillment, but also provides for some lovely memories of your high school years.









MARCHING BAND STEPS UP

While the rest of Kimball was at home or working a job, the band spent part of their summer drilling and practicing for the coming year. For the first time in Kimball history, the band managed to attend summer camp. The Barksdale United States Air Force base in Shreveport, Louisiana was the sight of this new experience. There the band members drilled and performed in the scorching sun, preparing themselves for the upcoming season.

When the school year opened, it gave all the band members an opportunity to perform and show off their skills. The rigorous 7:00 morning practices paid off, not only during the football games but also during pep assemblies. The Kimball Marching Band participated in the Parade of Champions at the Cotton Bowl, the Music Bowl in Huntsville, and the Midlothian Marching Festival. In the latter competition they placed 2nd overall and won an Outstanding Drum Major Trophy. The 1983-84 drum majors were Rodney Davison and Marcy Harrell.

Several new additions to the normal program included adding a drum instructor and a Color Guard advisor. The band held a variety of fund raisers throughout the year to help pay for their new instructors and the carpet which replaced an older, well-used one. Kimball's band held up to, and exceeded the standards which have grown year by year.

COLOR GUARD BRIGHTENS THE FIELD

This year's Color Guard began the year by accompanying the band to Louisiana for summer band camp. There they learned the basics of twirling and began to develop the routines and drills that would be performed at football games and contests. The purchase of new flags and rifles put more sparkle into their routines, which were more showy in style than in years past.

KNIGHT BEATS JAZZ IT UP

Striving for perfection describes Kimball's Knight Beats. They reign foremost in the musical department. For 26 years the Knight Beats have performed in concerts and social events throughout the area. Practice during 4th period every day helped to prepare them for competition and performances. This year the R.O.T.C. Military Ball, the CATS Meow, and the college Jazz Festival were several of the events attended by the Knight Beats. "The Kimball Knight Beats represent the best of Kimball's finest jazz performers," said Wade Rowe.

TROUBS ENJOY EVENTFUL YEAR

To become a Troubadear takes more than just making good grades and being able to kick high. A lot of hard work and practice goes into perfecting every performance. In order to get ideas for new routines the officers attended a summer camp, hosted by SMU, in which they won the Sweepstakes award as well as many other individual awards. They came back to Kimball with 27 blue ribbons, the spirit pom, and also an abundance of information to share with the rest of the drill team.

The Troubs hosted the Miss Drill Team North Texas competition, which is the forerunner of the Miss Drill Team USA competition. Captain Bobbie Martin won Miss North Texas and placed seventeenth nationally. They also performed in the National Invitational Tournament Championships. Additionally to their performances at Kimball, they marched in the SMU Homecoming Parade and danced at numerous SMU basketball games.

They held various fundraisers such as booster-service at Six Flags, a Tom Thumb dinner and their annual trouncing with the Bisonettes in the Powder Puff game. The money raised helped make possible a Christmas party for the Troubs and their parents, and also an afternoon luncheon at the Hyatt Regency honoring the Troub mothers.

VARSITY CHEERLEADERS PUT ZING INTO THEIR SPRING

Shouting cheers during the pep assemblies and cheering on the football team, the Varsity Cheerleaders did their part to promote school spirit. They began in the spring of the last school year and worked all summer long practicing new cheers. They attended a summer camp held at SMU and learned many new stunts. To raise money for all the wonderful spirit signs they made, they once again sold pep assembly ribbons, with half the proceeds going to the football team. As a reward for their hard work and dedication, they were asked to perform many times at SMU football and basketball games. Topping off a fantastic year, they won first place in the Battle of the Cheerleaders competition this spring.

J.V. ADDS SPIRIT

The J.V. Cheerleaders play a large role in supporting Kimball's Freshman and J.V. teams. They also aid the Varsity Cheerleaders during pep assemblies and in making the spirit banners. The Junior Varsity squad added to Kimball's many trophies and awards by bringing back a 2nd place in competition. Although the spotlight usually rests on the Varsity squad, J.V. does its share of the work.

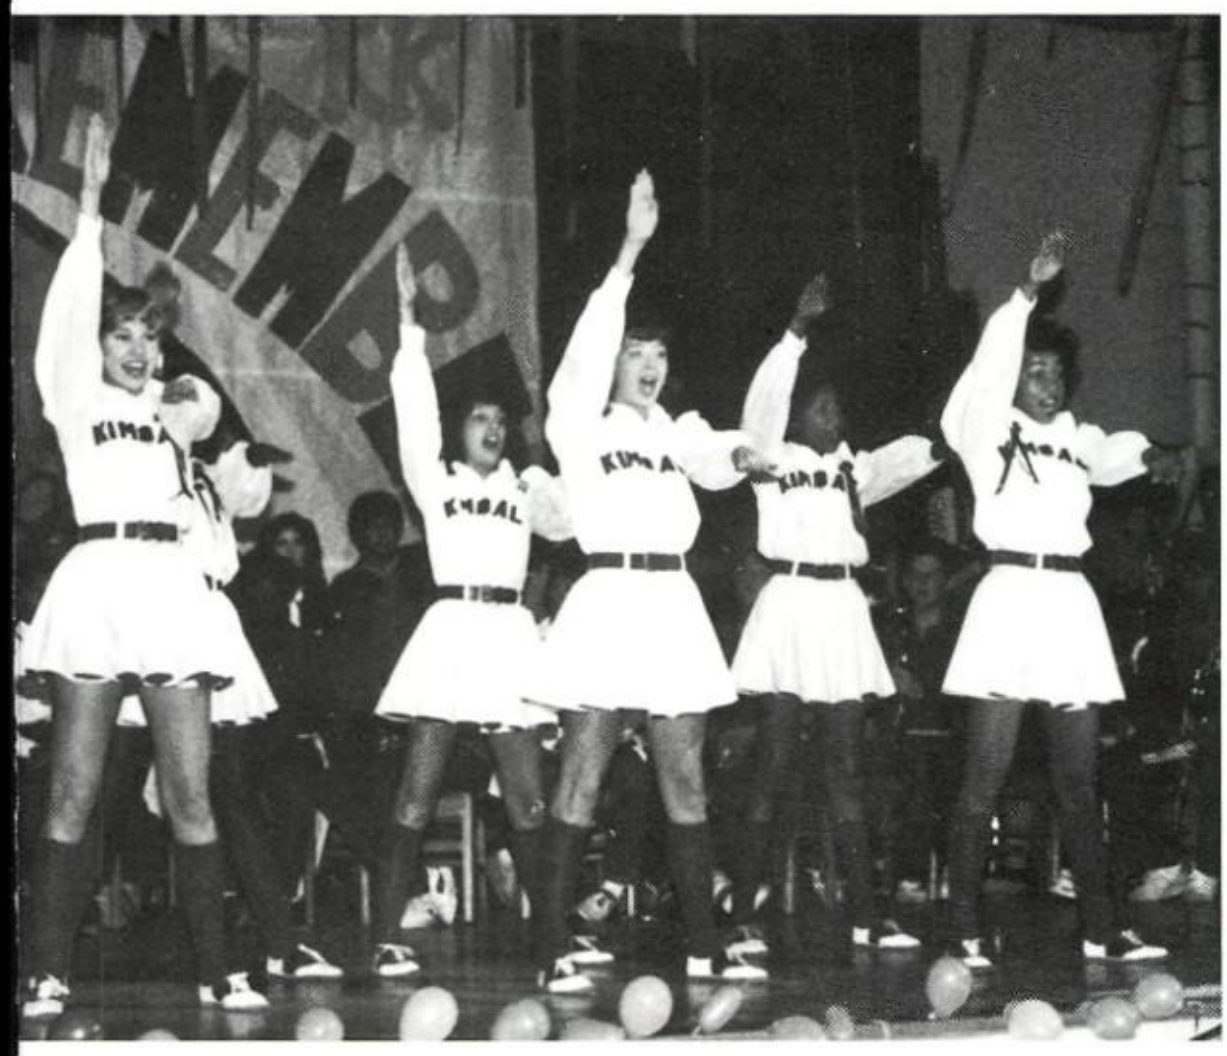
FRESHMEN JOIN RANKS



The Freshman Cheerleading squad enjoyed its first year among the ranks of the J.V. and Varsity. Often arriving at school before 7:15, they held nacho sales and aided in Homecoming decorations. Mr. Timpa, who has sponsored the other squads for 11 years, helped the Freshman group through their beginning year.

KNIGHT CRIERS SHOUT IT OUT

Seventy-five screaming voices led to the recognition of the Knight Criers as a force at Kimball athletic events. The pep squad led by Sharon Wyatt, Donyale Nix and Beth Johnson sported matching uniforms and new pom-pons.

Throughout the year the group presented each football team with a cake, made Christmas stockings for the basketball players and co-hosted a reception for the basketball team during the play-offs.

Classes 7th period hurt participation according to sponsor Toni Strowenjans. And she would like to see the girls scheduled into a set study hall next year for meetings and practices. "I'd also like to see the girls get into the games free like the cheerleaders and Troubs," stated Mrs. Strowenjans.

SOS: AT IT AGAIN

Pep assemblies would not be the same without the uncontrollable energy shown by the Men's and Women's SOS. The women's group had 120 members as compared to the men's 55. But that didn't stop the rowdiness that has become a Men's SOS trademark. Because of their actions, they were told to leave several assemblies. In retaliation, they stole the Knight out of the courtyard. Once again the issue has been brought up about disbanding the organization. If this happens it will be a great loss to the students, spirit, and Seniors of Kimball High School.

ORCHESTRA STRIKES ACCORD

The Kimball Orchestra once again proved to be one of the best musical organizations in the DISD, with experience as the key. Only seven members of the thirty-two were new to the group. They performed their annual fall and spring concerts and also appeared in the Christmas program. In DISD competition they scored straight one's and for the U.I.L. they were awarded a II in music.

WIND ENSEMBLE PLAYS ON

Kimball's Wind Ensemble played an active part in the support of school spirit and the other musically oriented groups at J.F.K. Giving exceptionally good performances was their specialty. They attended D.I.S.D. competition at Seagoville High School and ranked in the upper half. A cluster concert in May and graduation were just a few activities that the Wind Ensemble attended. "All the early practices were tiring, but the end result was really worth it," said Laura Phillips.

CONCERT BAND LOVES TO PLAY

4

Under the very capable direction of Mr. Wis, Kimball's Concert Band had yet another successful year. Band is just one of the many organizations that allows a student to display his talents. During the allotted hour each day, a striving musician can forget the bell, the homework, all the restricting characteristics of school, and work on one thing — music. That is after all, the one thing all people in Concert Band have in common: the love of music.

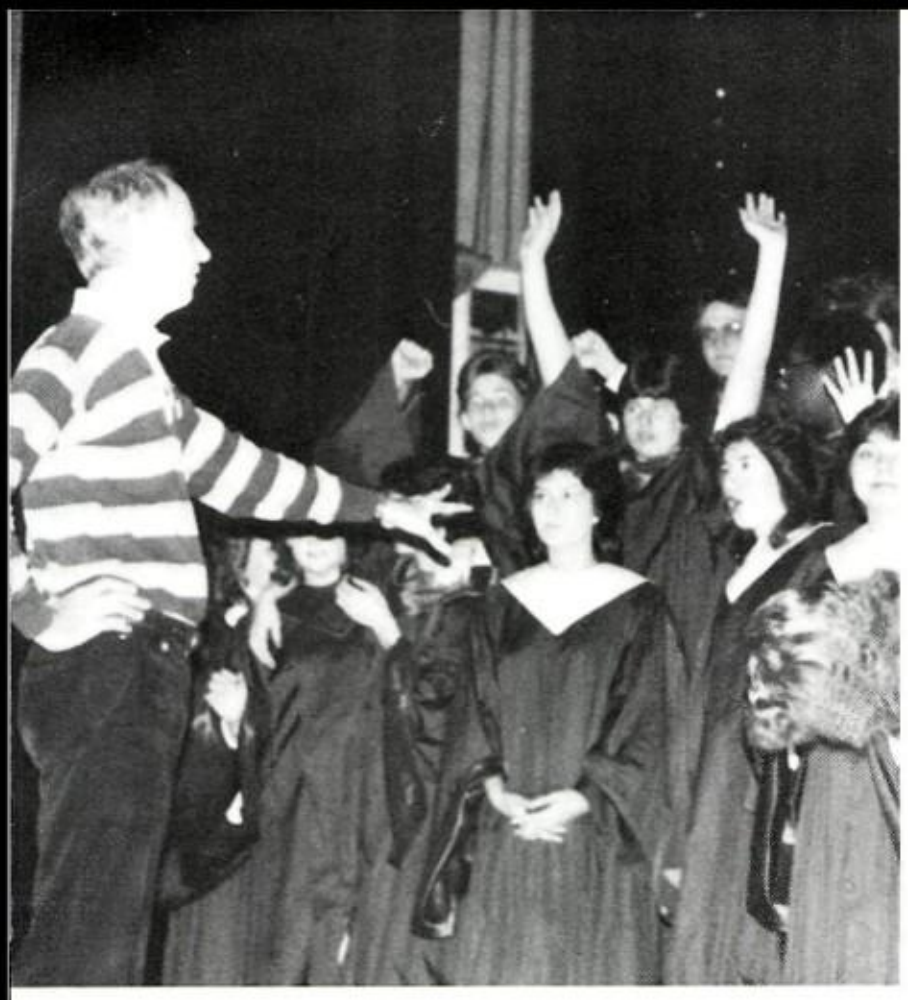
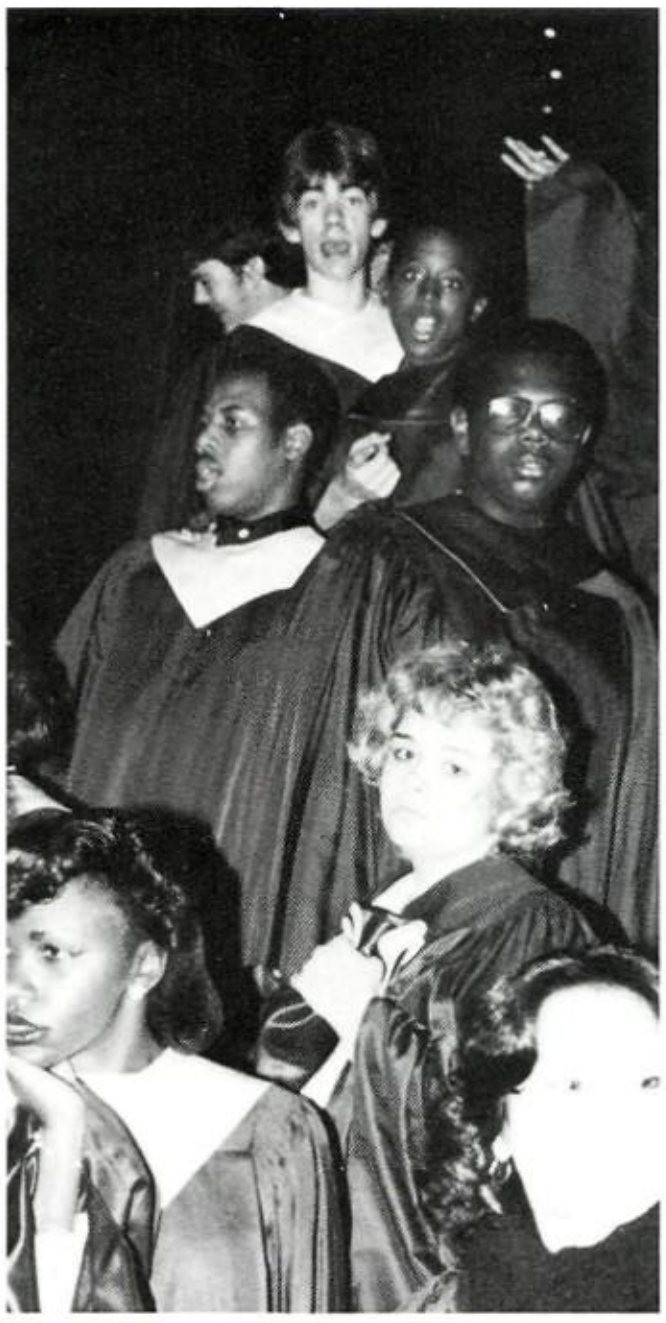
6. Chorale is arranged on the Kimball stage for a group shot.
7. Chorale takes a break from their holiday performance.
8. Mimi Merritt and Jennifer Chambers perform at Medical City.

5



The choir department is divided into three main organizations: Chorale, Choraliers, and Choral Union. Chorale is the most advanced of the three and to become a member of Chorale, an audition is necessary. Choraliers is the feeder group of Chorale. Members learn to sightread music, to sing a cappella, and to harmonize. Normally there are 60-70 members, but this year membership was unusually small. Choral Union is the training choir, where sightreading is learned. This choir is an outlet for musical students who do not have time for performances, because Choral Union does not perform as the Chorale and Choraliers do.



7

NEW TYMES: BETTER THAN EVER

The New Tymes, Kimball's musical goodwill ambassadors, proved once again that they are one of the finest musical organizations in the metroplex. In the D.I.S.D. Show Choir contest they returned with superior ratings, and at U.I.L. received three excellent ratings. Many members commented that they performed for some of the nicest people in the nicest places. Some of their numerous appearances were at the Oak Cliff Women's Club, Women's Federation Club of America, Oak Cliff American Legion Post, Oak Cliff Lions Club, and Administrative Officers of the D.I.S.D. Their performances at Kimball have included the Letterman's Banquet, the Senior Luncheon, and Cats Meow IV. Mr. Atherton, the New Tymes sponsor, said, "This year's New Tymes is the biggest, most outstanding group ever."

SCIENCE CLUB EXPLORES UNKNOWN

6

This year's Science Club, under the direction of sponsors Mr. Washington and Mrs. Berry, started the year off right with a banquet for all its members. Designed to advance and enrich scientific knowledge in addition to making science just plain fun, the Science Club did a number of activities during the 83-84 school year. A field trip to the Museum of National History, and the ordering of T-shirts high-lighted the year. Within the Science Club exist our future scientists.

MEMBERS GAIN FRONT ROW SEATS

The object of the National Honor Society is to create an enthusiasm for scholarship, to stimulate desire to render service, to promote worthy leadership and to encourage the development of character in all students. Membership in N.H.S. is both an honor and a responsibility. Students elected to membership are expected to continue to demonstrate the qualities of scholarship, service, leadership, and character. By utilizing and exemplifying these four traits, the National Honor Society members help to counter the many negative forces in school today.

CORONA EXIMIA: LATIN MADE FUN

Corona Eximia, the Latin Club, had a very small membership this year. Taking in stride their number they used it to help build better friendships. An initiation was held in October at Melinda Mayben's house and was followed by a party. Some of their activities included bowling, an ice skating party, and a banquet.

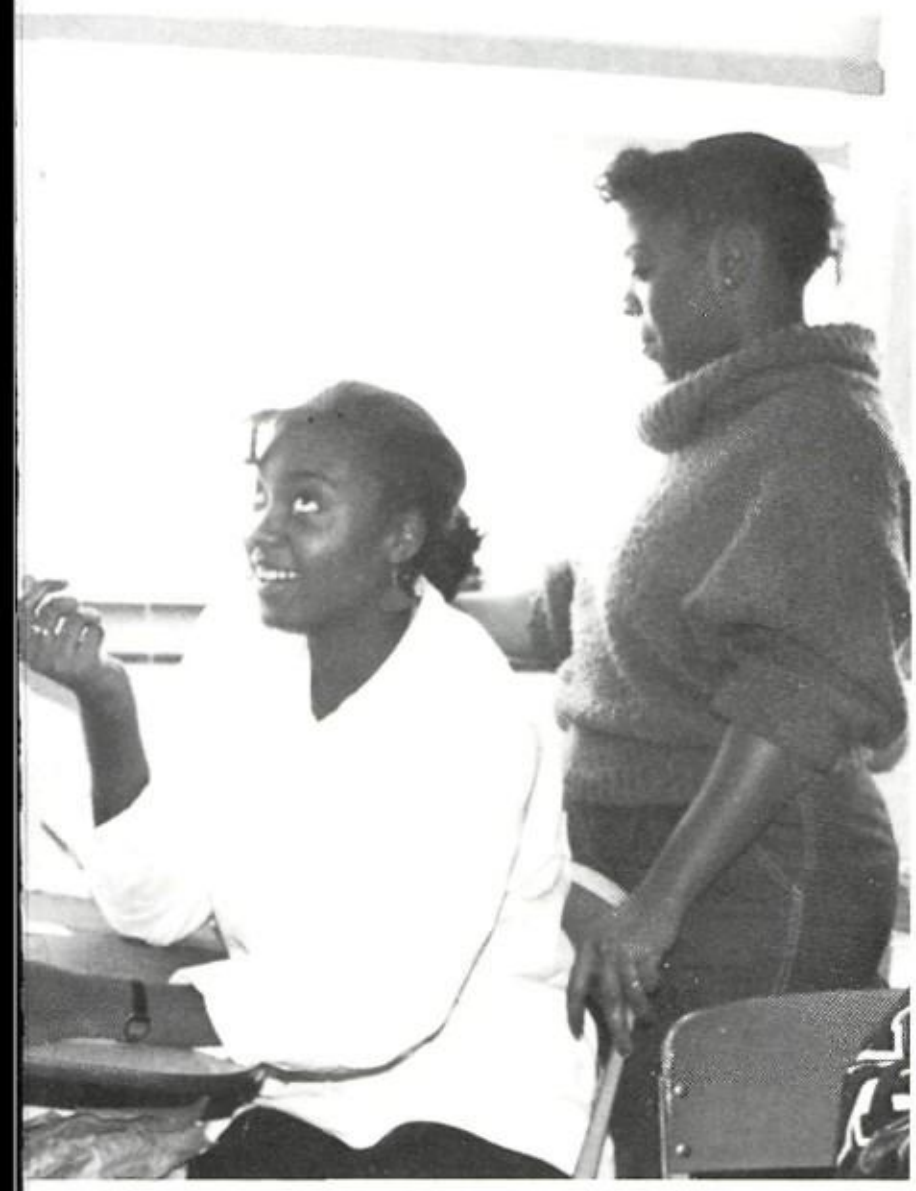
FRENCH, FUN, AND FOOD



Entre Nous, the French club, participated in many activities this year. At Christmas, they held a dinner in which each student brought a French dish. The feast was shared with the French II and III students. During Mardi Gras they celebrated with other schools, and made rich desserts as their contributions. "Life in France" was the subject of a talk given by a French lady to the club. At the end of the year, they held an annual banquet at a French restaurant. Mrs. Zimmerman was the sponsor of Entre Nous.

EL SOL BRIGHTENS KIMBALL

El Sol, the Spanish club, became one of the largest organizations in Kimball with the induction of 40 new members in November at a banuqet at Pepe Y Miguel's. The inductees were initiated by selling Doritos for a penny each on "Dorito Day." To raise other funds, they resorted to more familiar methods, such as nacho sales and a bake sale.

The highlight of the year was a trip to the PSAF convention in San Antonio at the end of March. Between business matters on the trip, they were entertained with such performances as the "Gran Baile," a Mexican dance, and a variety show entitled "Noche Panamericana."

ACTIVITIES HIGHLIGHT ALLERLEI

Allerlei, the German club, was one of the smaller organizations in Kimball this year with 15 members. The majority of them take German II. A meeting of German Clubs from several D.I.S.D. schools was held to share group experiences. Some activities this year have included attending Novemberfest, eating in an authentic German restaurant, and taking a field trip to New Braunfels for the Wurst Fest.

PRACTICE MAKES PERFECT

Afternoon practices from August to May in sun scorching heat and sub-freezing cold earned the Royal Lancers Drill team the distinction as one of the top ROTC drill teams in the state.

This year's team entered seven competitions throughout the state and brought back 22 trophies to show for their effort. Robert Thompson put in extra time as drill team commander and Col. White trained and supported the team at every step.

ROTC KEEPS CONTROL

Kimball's R.O.T.C. members have been very busy this year with various activities. The cadets ushered at Kimball football games as well as the Cotton Bowl Classic.

They participated in the Governor's Guard at the State Fair and marched in the State Fair Parade. The color guard presented the Colors at football games and at the Oak Cliff Lion's Club. The R.O.T.C. also sponsored the Turkey Shoot at Thanksgiving.

Social functions included the Christmas Party and the annual Military Ball.

F.T.A. GIVES HELP

Future Teachers of America is an organization which gives support and aid to the community. This year's F.T.A., which was sponsored by Mrs. Malone, organized several service projects including M.D.A. donations, Easter egg hunts for deprived children, a variety show at Four Seasons Nursing Home, and helping in the Special Olympics. Andrea Jones was the 1983-84 president.

F.H.A. PREPARES STUDENTS

Future Homemakers of America, which is sponsored by Mrs. Reed, Mrs. Henslee, Mrs. Funk, Mrs. Dickey, and Mrs. Hamilton, is a community service organization. Strengthening the function of the family, providing opportunities for decision making, and instituting programs which help youths understand adults better are all purposes of F.H.A. The members of F.H.A. attended local, area, and state meetings. The local meetings were held at the School Administration Building, while the area and state meetings were held in Crowley and San Antonio. Two major service projects were run this year. One of which included providing canned goods and food to a needy family. Although F.H.A. has many goals, the major one is to help youths assume active roles in society through home economics education in the areas of personal growth, family life, vocational preparation, and community involvement.

1. Mrs. Durbin trys to slide her way into first place.

D.E.C.A. DEVELOPS MARKETING SKILLS

Distributive Education students learn skills in marketing — retailing and wholesaling of a product or service — by classroom study and job experience. The national club, D.E.C.A., competes in city, area, state, and national contests in seven categories including merchandising, marketing, petroleum, finance, and credit. One member, Bobby Mullins, won both the city and area contests, with a chance to go on to state. Also among their activities, DECA operates the school store.

HOSA GAINS MEDICAL KNOWLEDGE

HOSA is an organization for medically inclined students that participate in a co-op program in which they attend classes half a day and then work under professionals who specialize in a particular field. Some of the highlights of the past year were the blood drive held in November, a blood pressure screening test in January, and an area leadership conference in February. To show their appreciation for their employers, a banquet was held in their honor on April 26 at the Plaza of the Americas. They rounded out the year by attending a state meeting in May.

O.E.A. SATISFIES BROAD INTERESTS

OEA, Office Education Association, is a program designed to educate students in skills needed for an office career. Students work with professionals to gain knowledge in businesses, such as receptionists, secretaries, bookkeepers, typists, and clerical work.

1

2

1. OEA students read an informative magazine.
2. Learning to use business machines is only one facet of OEA.

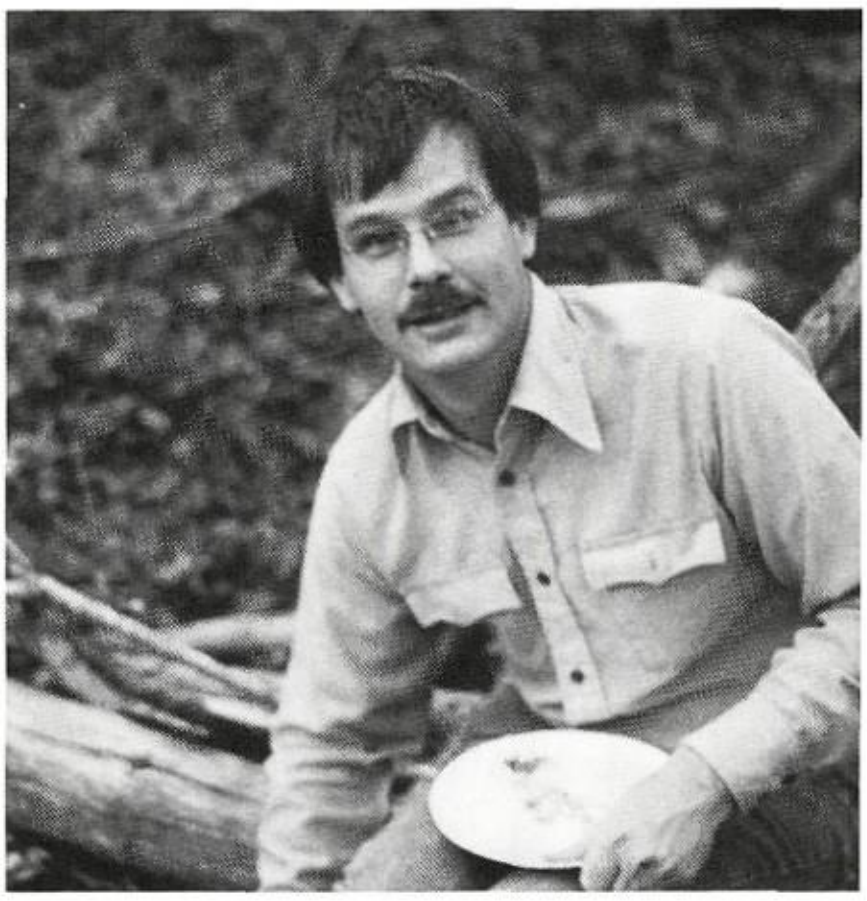
THE SEARCH FOR WILDLIFE

Woods and Waters is a club that helps develop one's knowledge of the natural environment. The students gain more respect for nature by working with it. In this time of concrete and buildings, this organization is needed to encourage students to find out more about nature.

1

2



3

PATHFINDERS LEAD THE WAY

In Pathfinders, members learn how to live off the land without damaging it. They also learn how to improve their knowledge of wildlife and nature. When they go on campouts, nothing of civilization is taken with them. They must survive off the land for a certain period of time. During this time, they learn how to read maps, emergency procedures and natural food selection.

SQUIRES PROMOTE ORIGINALITY

The Squires of Kimball represent some of the best musical talent there is to offer. Hours upon hours of practice every week and in some cases every day, make them quality artists. Harmony exists not only in their music, but also in their thoughts and dedication. The hard work goes beyond getting a grade in a class; it involves pride, pride as an individual and as a group. Pride doesn't stop there, it extends to Mr. Wis, who directs the Squires. It's quite easy to see Kimball has her share of talent in Squires.

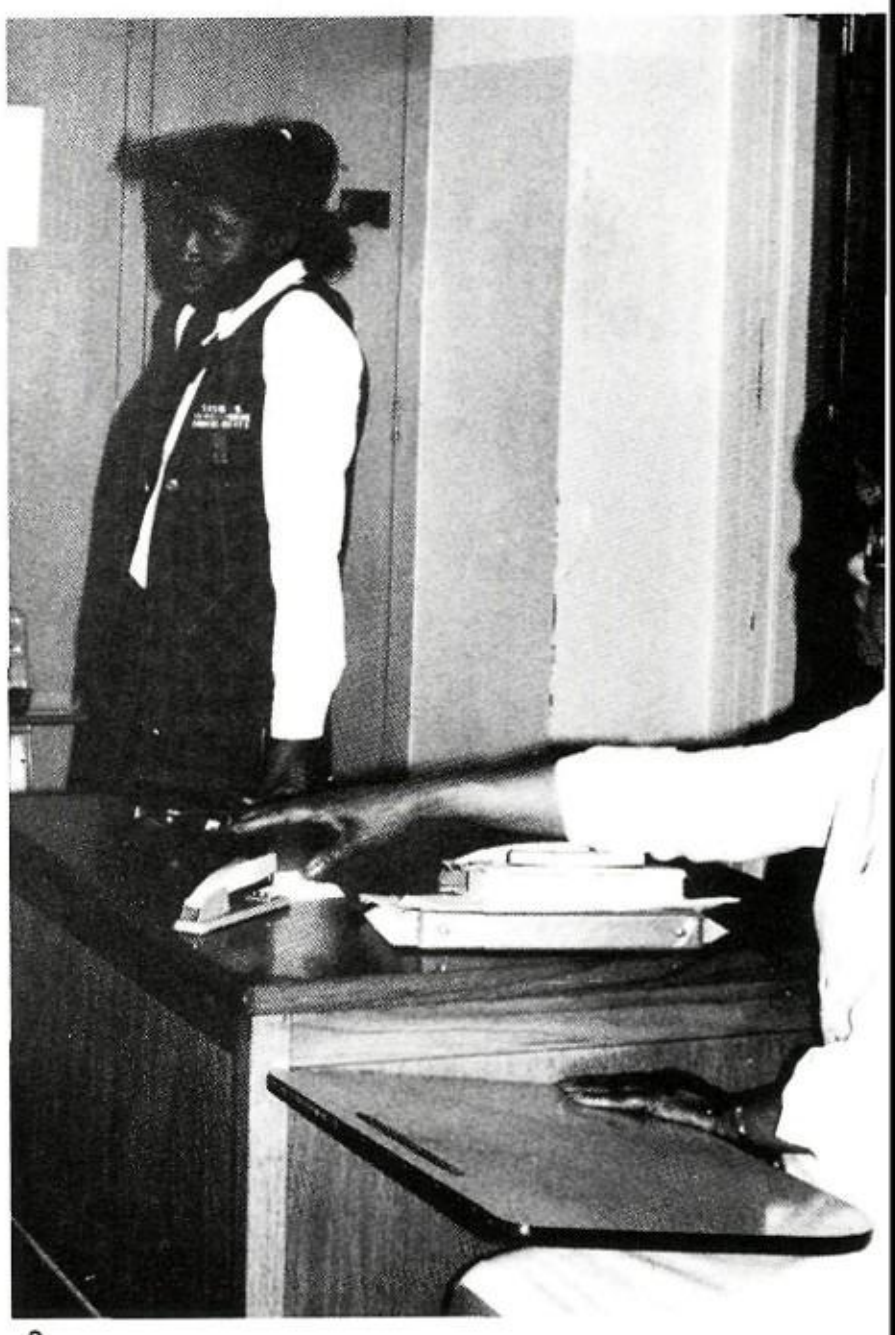
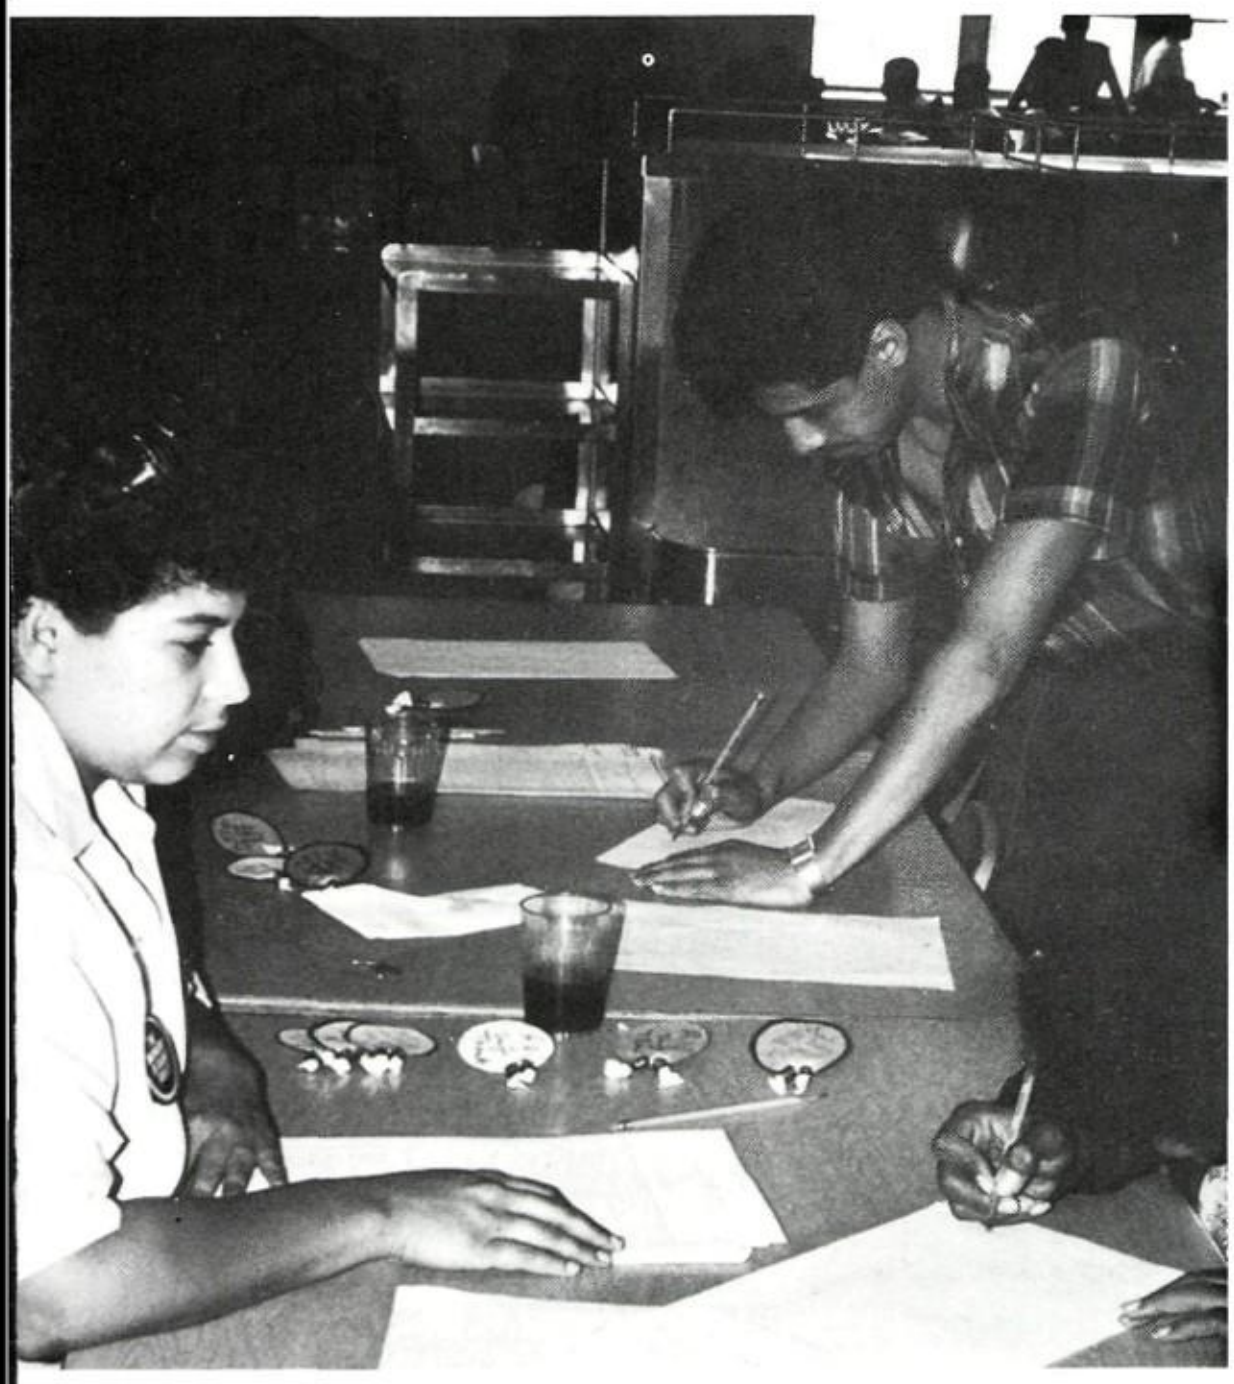
The Y-Teens, under the direction of Mrs. Laury and Mrs. Davis, helped give a lift to the spirit of several different groups. This year they "adopted" the 4-Seasons Nursing Home, giving the residents individual birthday, Christmas, and Valentines cards.



3

ALLIED YOUTH TAKES SERIOUS LOOK AT ALCOHOLISM



Allied Youth is one of Kimball's civic service organizations. Sponsored by Mrs. Toussaint, the group did a number of activities that pertained to alcohol and drug use. Included were: two trips to Browne where the Allied Youth students took over a class and gave lectures on drug use, and they also set up a survey dealing with drinking attitudes.

FANTASY FACTORY PUTS ON A HAPPY FACE

Kimball's Fantasy Factory is a touring children's theater group. Its purpose is to introduce live theater to young people. The class is composed of talented students who have shown great interest in learning about some of the more diverse techniques used in live theater. They create their own original mimes and individual make up designs. They were once again invited to perform at the Old City Park Christmas Celebration as well as their regular performances at Daniel Webster Elementary School.

COUNCIL BEAUTIFIES KIMBALL

Behind the many fun activities during a school year, one can generally find the Student Council involved in the majority of them. The Council is an honorary organization whose members learn a firm knowledge of school government by exercising parliamentary procedure as their method of operation. Among their responsibilities for this year, The Council decided on the theme days during the football season, planned school dances, organized the annual Student-Faculty Basketball Game, and was the backbones of the enthusiasm for the TABS testing.

The Council was also responsible for a lot of the beautification around the school. In February, they restored the fountain in the courtyard to working order and planted tulips around it. Furthermore, they repainted the statue of Sir Justin and his horse.

In addition to work inside Kimball, they participated in service projects for the community as well. Over the Christmas holidays, members brought gifts and cheer to children at a local orphanage. They also increased awareness of the prevalence of alcohol among high school students by distributing pamphlets for Mothers Against Drunk Driving.

KNIGHT LIFE PRESSES ON

The presses were stopped this year on the student newspaper *Knight Life* for a variety of reasons. Sponsor Conni Durbin explained that the rising cost of printing, low advertising sales and lack of support from the student body combined to shut down the publication.

Despite this, Kimball's journalism students continued to learn about newspaper techniques and produced mock-up newspapers throughout the year.

"We really hated to cease the printing but when only 175 students out of a school of 2,000 will buy the paper I think that says something about the apathy of Kimballites toward the *Knight Life,*" stated Mrs. Durbin.

CREATIVITY FLOWS FROM *IDYLLS FROM THE TOWER*

Idylls from the Tower, Kimball's literary magazine, is in its eleventh year of publication providing opportunities for talented student writers to have their original works read, judged and possibly printed annually in a magazine. At the same time, it enables students to work together as a staff to produce a quality literary magazine. Despite a change of editors midway through the year, the *Tower* staff believes this was the best magazine to date.

EXCALIBUR COVERS ENTIRE YEAR

Each year, Kimball waits in anticipation for the arrival of the yearbook in the spring. This year, however, students were surprised to learn that the annual would be delivered during the fall of the following year. For the first time in Kimball history, the EXCALIBUR would cover both fall and spring events, including all Senior activities.

The EXCALIBUR staff has worked diligently all year to create a new look for the annual. The editors attended a journalism workshop at SMU during the summer. Then, using techniques introduced at the workshop, sponsor Mrs. Durbin led a training seminar for other staff members.

EXPLOITS

LET THE GAMES BEGIN . . .

As each year begins so does a new season of Kimball sports. From football to soccer Kimball can be proud of her athletes. She is the home of several football district winners, basketball district winners, and even a state championship soccer team. No matter how hard the competition we can always be proud of our athletes, for whether they win or lose we know they gave it their best.

KNIGHTS CHARGE INTO SEASON

Kimball's Varsity Football Team provided entertainment for fans all season. The community was supportive; the student body was "proud as pie"; and many spectators from other schools could always be found watching from the sidelines.

This year's team may not have always come out on top score-wise, but they played their hearts out. Experience was the main problem the team faced, with only four returning varsity players from the previous season. "We had a lot of inexperienced players that gained experience as the season progressed," commented Coach Lark.

Preparation for the team began the previous spring with weight-lifting and special training pr grams. The coaches used sprir training to determine where t position the players. At the begi ning of the season the players s goals for themselves. First to wi three of the first four games, the to win district. Although the achieved their first goal, they fe just short of their second.

Three Knights were named t the all-district squad: Mitche Waites, Derick Price and Andı Silmon. The Dallas Morning New named Lester Smith "Player the Week" during the seasoı These accomplishments were a least some consolation for season that ended sooner tha any Knight fan had hoped.

Brian Bursey, Ronnie Robinson, Thad McGowan, Jack Porter and LeVal Snoddy.

This year was very successful for the freshman football team. They compiled an impressive record of six wins and only two losses. Coach Gray stated that this year's toughest opponents were W. T. White and Carter. He also said that one of the outstanding players to watch out for in the future was Byron Davis.

Although they were only freshmen, the players handled their first year of high school football very well.

Kimball's Cross Country Team was more active this year than in the past. The boys' team competed in four invitational meets and showed improvement in each. David Pfeil and Marc Rachel were the most consistent runners. Chuck Hulse finished second in the JV division at district.

The girls' team was led by Lisa Dudley to a fourth place finish at district. The team was directed by Coach Durbin with assistance from Coach Rachel.

The Kimball Varsity Basketball Team attributed this year's success to hard work and the desire to win. The team finished with a record of 31-5, and were undefeated in district competition. In addition to the District Title, the team also captured Bi-District and Area before losing to the eventual state champions, Bryan, at Regionals.

Outstanding players were Junior Jeffrey Fudge, Seniors Kenneth Willingham, Slim Robinson and Marvin Washington, who received many distinctions throughout the state during the season.

"Our Seniors played well as expected, but I think that Jeffrey Fudge played extremely well for a first year letterman. Also, Marcus Brown, Leonard Perry, and Chris Williams showed vast improvement. As a coach, I am proud to have had 5 players receive basketball scholarships over the past two years," said Coach Jimmy Tubbs.

The Junior Varsity ended their season by compiling an overall record of 20-3. The team achieved two major goals by winning the Roosevelt Tournament and capturing the 11-AAAAA Championship. The team averaged 65 points per game offensively and kept the opposition's average under 50 points per game, led by captains Michael Sullivan, Bobby Davis, and Roderick Hampton. All of the team played a significant part in helping the team win. "The team's record is a reflection of how much effort the players put into having a successful season," said Coach Dyer.

FRESHMEN PLACE 2nd IN DISTRICT

The Kimball Freshman Basketball team finished their season with a 9-2 record which placed them second in District. The team performed well and showed marked improvement. As the season progressed, the team's goal was to win one game at a time and give 110% effort in the games. They were looking forward to competing with any team in the District and to improve in all fundamental phases of the game. Outstanding players were Bruce Gamble, Anthony Virgil and Cedric Foreman. "I was very proud of the effort that this team gave. We came very close to winning the District Championship and I have nothing but good things to say about these young men," said Coach Lark.

ont Row: Coach Lark, Michael Washington, Bruce Gamble, Brian Bursey, Alex Fisher, Mark Simpson, Roderick Johnson, Alton Gillis, Anony Virgil, Cedric Foreman, Sammy Wideman, Ronnie Robinson, Cedric Davis, Sam West.

GIRLS' BASKETBALL TAKES THE COURT

Basketball is a game requiring speed, endurance, agility and intelligence. Kimball's girls basketball program has emerged as one of the area's best because its players possess these qualities. Under the leadership of Varsity Coach Belinda Whitson and JV Coach Mary Weems, the girls spent endless hours perfecting their skills and improving on their weaknesses. The nucleus of the varsity team revolved around seniors Zelda Johnson, Renee Harris and Lynn Garrett. Paula Petite proved to be one of the top players in the district, despite being only a sophomore. Although the girls fell just short of making the playoffs, they were a worthy and dangerous opponent in their district competition. With the emergence of several quality JV players, the future looks bright for girls' basketball at Kimball.

ATHLETES TAKE TIME-OUT TO EXPLOIT FUN

Not every moment of time during athletics was devoted to learning new formations, planning defensive strategies, or analyzing game films. Participants found precious moments to enteract and form friendships that will last long after the final gun, the last out or the game ending buzzer. Afterall, teamwork, comradeship, and sportsmanship are the most important lessons of high school athletics. Learning to lose is as vital as learning to win, though not always as enjoyable. Yet the smile of a friend, the handshake of a teammate or a hug from the coach can make the moments of losing at least bearable, and the moments of winning the stuff of which the best memories are made.

For the second straight year, the girls' soccer team captured the state title, defeating Irving-MacArthur in the finals 2-0.

Throughout the season the girls' tenacious defense, led by goalie Stephanie Lennon, produced countless shutouts. In the playoffs, the girls held every opponent scoreless. Lennon was named the district "Player of the Year" for her efforts.

According to Coach Gail Runyon, who was honored as "Coach of the Year," the girls' toughest competition came at the Regional tournament where they defeated Richardson 1-0 and Richardson Pierce 2-0. Advancing to the state tournament, they destroyed Houston Klein-Forest 4-0 in the semi-final game.

Named to the first team all district were Lisa Lintz, Becky Rangel, and Dona Cussimanio. Second team selections were Becky Spicer, Tomeji Hurd, and Lana Garcia.

After dominating opponents as Kimball did in 1983, the team found every other Texas team shooting for them in the '84 season. Despite early losses, the girls rebounded to old form and once again reined terror throughout the state.

Coach Runyon stated, "I'm very proud of the team and all that they have accomplished this year."

Getting to the top is difficult, staying there as the girls' soccer team has done is even harder.

BOYS' SOCCER WINS BI-DISTRICT

Overall, this year's soccer team had an especially productive season. They captured the district title and then went on to win Bi-District. Coach Hunter stated, "We had a very successful season. We did as well as we had expected. After losing so many seniors, we had a great young team."

The players and Coach Hunter worked together as a team to achieve their goals. Everyone put forth their very best. Some tremendous contributions were made by David Pfeil, Rodney Lindson, Tommy Carlberg, Bobby Mullins, and Shawn Storey. The team had some tough opposition including W.T. White and Sunset.

Front Row: Mike Bradish. Second Row: Rudy Yzaguirre, Mark McManus, Brent Hardtner, Paul McManus, Edward Aguilar, Benji Whitehurst, Ste Miller, Shawn Storey and Joe Bradish.

The Kimball Swim Team completed their season by qualifying 17 swimmers to the regional meet. The boys' team finished with a 6-2 dual meet record and placed second overall at the district meet. Mike Bradish successfully defended his 1-meter diving title to post an undefeated record in district over the past two years.

"Considering there was only one senior on the boys' team, I think they did remarkably well, and the future definitely looks bright with so much experience returning," stated Coach Conni Durbin.

The girls' team also posted a 6-2 record and placed third at the district meet. Karen Bjerke and Annemarie Casey led the team as co-captains. Coach Durbin said, "The girls will miss Karen and Annemarie's leadership and abilities next year, but I'm sure others will step in to take up the slack."

The Kimball Wrestlers completed the year with an 8-6-1 dual meet record, despite fielding a relatively young team. With only three seniors, the team successfully defended their District Title for the fourth straight year. Senior Darryl Mack finished his Kimball career as District and Regional Champion. He placed third in the state tournament and was named to the All-State Team. Other outstanding wrestlers were District and Regional Champion Darryl Madden, District Champions Benny Washington, Kevin Reed, Robert Pinson, and Benard Gillis and junior Bruce Crayton. Next year promises more of the same with 10 starting wrestlers returning to the team, according to Coach Harmon.

TRACK GIRLS RUN FOR THE GOLD

Excellence is seldom simply won; it is earned through sweat, sacrifice, work and more work. For Kimball's girls' track team, the road to excellence meant hours of practice. Countless repetitions on the weight machines, endless laps around the track, grueling sprints and painful, aching muscles were all a part of the search. The hours of dedication paid off for the girls and Coach Mark Weems, as they captured second place at the district meet. As in most meets throughout the year, they were paced by LaTanya Barnes, who once again proved to be the class of the district in the distance events. Although the road to the gold is often paved with pain, for those willing to pay the price, such as the girl's track team, the rewards are boundless.

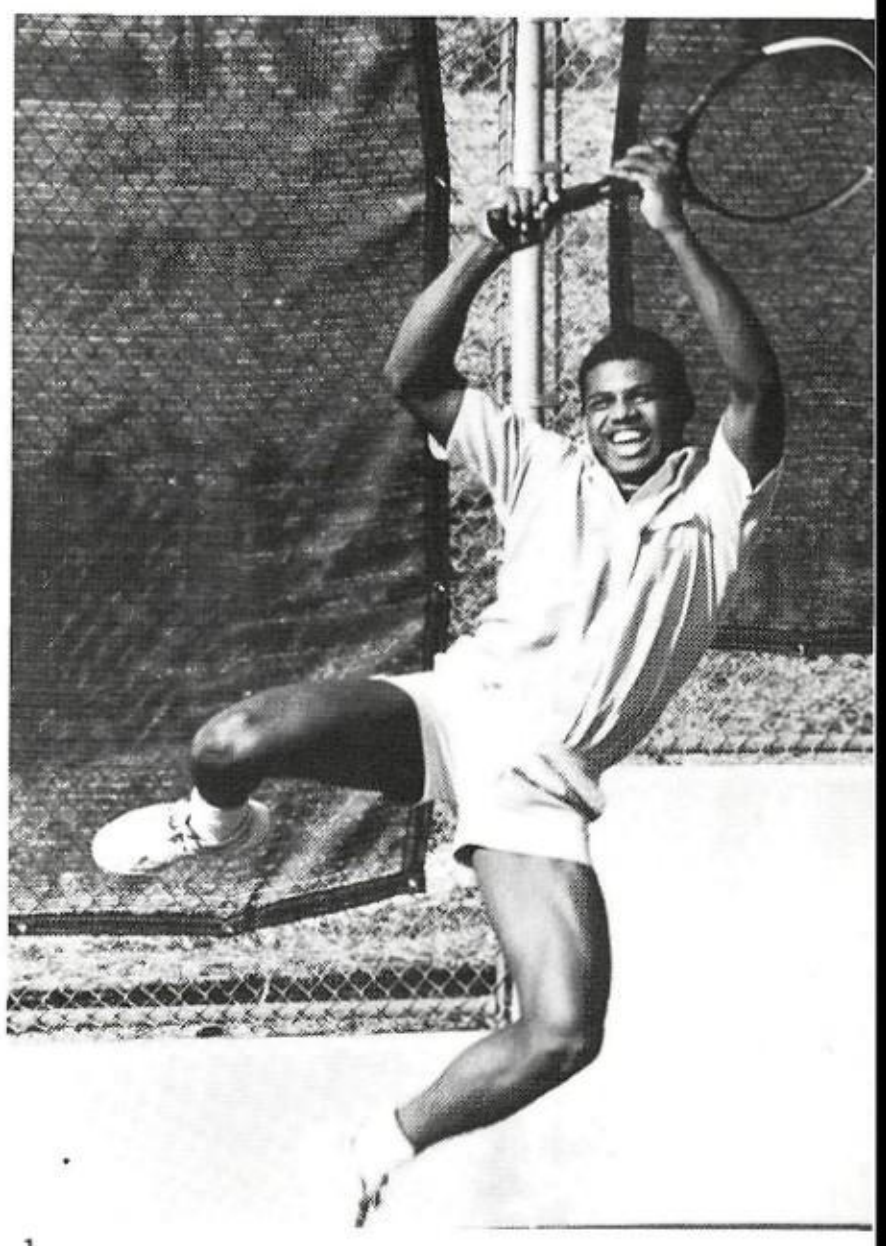
TENNIS TEAM NETS DISTRICT TITLE



This year's tennis team turned out to be as outstanding as teams from the past. The men's team once again was a dominating force and defeated their arch rival W. T. White, to win its second consecutive district title. Some of the multi-talented players included Ricky Wilson, Kenny James, Don Lambrecht and Shannon Self. Coach Martin stated, "We had a successful season as expected."

KIMBALL RELAYS ATTRACT TOP STARS

Despite rain and an overcast day, the annual Kimball Relays brought together many participants from area schools. As always, the relays were sponsored by the Kimball athletic department and the Coca-Cola Company.

Divided into two divisions, the relays saw many new records set including outstanding performances from Luis Guevara and Martin Reyes of Adamson, and Dan Brooks and Victor McGlothin from Kimball. In the freshman-sophomore division Roosevelt took first followed by Carter and Kimball. In the varsity division, Carter took first followed by Roosevelt and Spruce.

The Kimball Athletic Booster Club is to be commended for their hard work in preparation and execution of the event along with Coach Rachel for his many hours of work.

TRACK TEAM COMPETES FOR VICTORIES

This year's boys track team had an outstanding year despite being relatively inexperienced. Three runners advanced to the regional meet including Victor McGlothin in the 800 meter run; Danny Baker in the hurdles, and Micah Abram in the pole vault. Abram, who is only a freshman, took the varsity district championship, an amazing feat considering that this was his first year to even attempt the event. Coach Rachel, in his first year as Kimball's track coach stated, "I am looking forward to another winning season next year with so much of the team returning with a year of experience under their belts." He was assisted this year by Coach Hester and Coach Croft.

JV BASEBALL TEAM SLIDES IN

The JV Baseball team under the leadership of Coach Jimmy Tubbs, gained valuable experience that should provide excellent preparation for their move into the varsity ranks in the years to come. As always, TJ and White provided the stiffest competition, but teamwork along with some outstanding individual performances combined to allow the JV team to chalk up numerous victories throughout the season.

THE 1984 JV BASEBALL TEAM

BASEBALL WINS BIG WITH SCHOOL SPIRIT

Though the Varsity baseball team ended with a district record of 5-7, Coach Gray summarized that they were "One of the hardest working teams I've ever coached." Outstanding players such as David Ellis, John Nelson, Darron Rose and Raul Valdez became All-District leading batters. W. T. White and Thomas Jefferson were their toughest opponents, but the Knights gave them a good fight and ended the season with an overall 5-11 record. There were 4 returning lettermen, 3 seniors and 1 junior this year.

BANQUET HONORS TOP ATHLETES

All the muscle cramps, swollen fingers, cuts and bruises have healed for most Kimball athletes. With the passing of time, the pain of an overtime loss has eased and the skillful plays that led to a dramatic come from behind victory seem even more heroic in retrospect. So it is each May that lettermen from all sports are honored at a banquet. Sportscaster Dale Hanson was the guest speaker for the second year. Highlights of the evening included a presentation by the girls' soccer team to Coach Runyon for leading them to a second state title, and a plaque of appreciation was presented to Coach Durbin by her swim team as she completed her final year at Kimball.

JV TEAMS BATTLE AT SPRING GAME

The annual Blue/White Game was held May 18, at Sprague Field. As always, the two teams were made up of prospective members of next year's varsity squad. In addition, the game signaled an end to a long season of spring training. The players trained together up until a few days before the game, when coaches informed them of which team they would be playing for. This year's game ended with the White, led by quarterback Lance Salters, triumphing over the Blue. More importantly, the game gave coaches and fans an indication of what to expect from next year's Knight team.

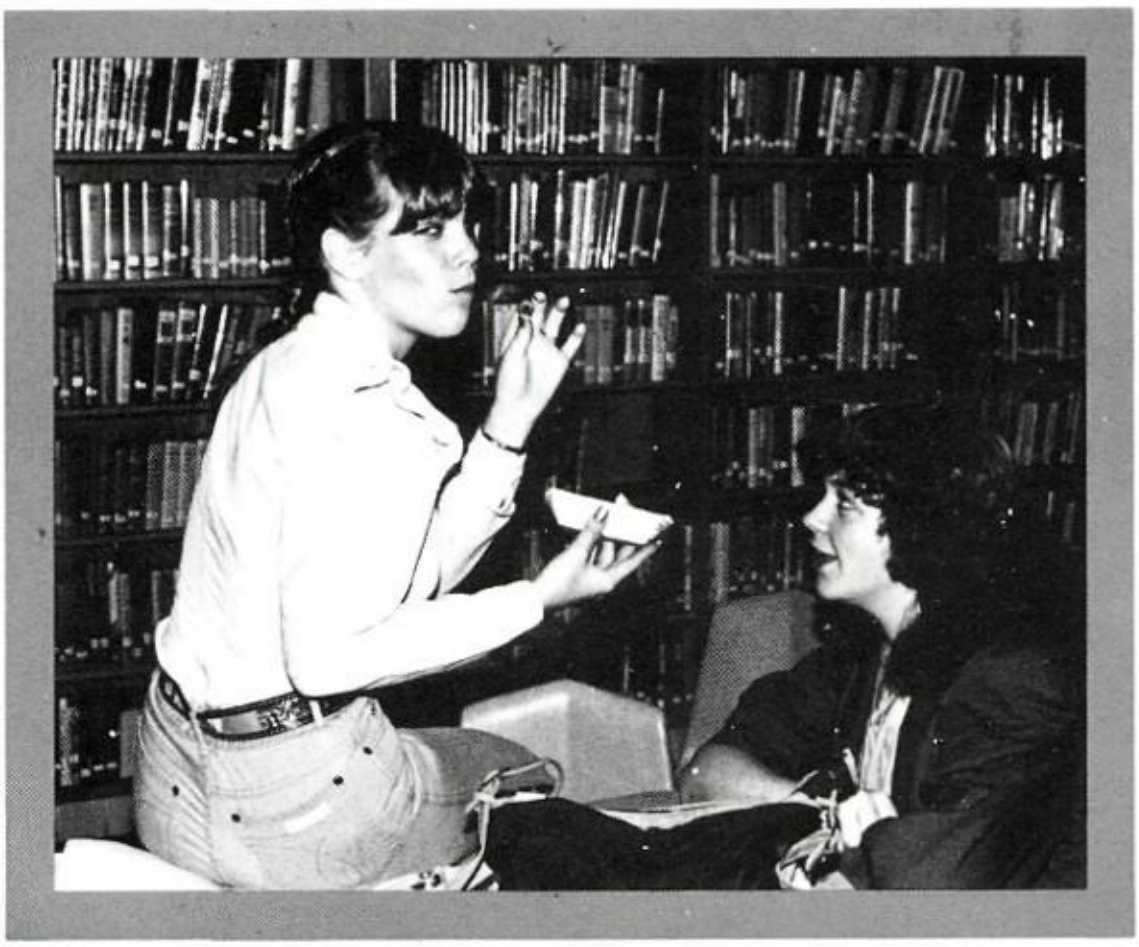
SPOTLIGHT



MAKING THE BEST OF IT

School is certainly not everyone's favorite place to go. The new attendance policy and the dress code, although perhaps justified, only added to the discontent in 1984. Students still managed to find ways to get away from the confines and strictness of the rules by doing the things which they enjoyed most. For all but the seniors, August means a new school year, but hey, things could always be worse!

KIMBALL MOURNS LOSS OF JONELL HARVEY

To say that Jonell Harvey was an extraordinary teacher would be an understatement, because she was so much more to those who knew her. She was unique both in style and character. She exhibited energy far beyond that of her peers and in so doing, touched and forever influenced the lives of her students and fellow teachers.

Her death, Oct. 13, 1983, shocked Kimball, for few knew of the many serious illnesses she had battled for years. She chose to keep them to herself much like the pain she had experienced earlier in her life with the death of her husband and child. Instead, she focused her attention on the positive points and gained her greatest satisfaction from teaching.

Arriving at Kimball in 1970, she originally taught Journalism, sponsoring the *Knight Life,* Quill and Scroll, and the Photography Club. In later years, she switched entirely to English, teaching the Freshman High Academic classes. Through the years, she was honored with the yearbook dedication, the musical program dedication, and the PTA yearbook dedication honored her posthumously this year.

In her memory, the Kimball faculty donated money for a tree to be planted in the courtyard as well as for a plaque commemorating her service.

Jonell Harvey represented the best in teaching. She will be missed but not forgotten by Kimball and its students.

THE MANY FACES OF DR. JOHN THORNTON

Whether keeping up with recent school board policy, talking with students in the hall, or answering important phone calls, Dr. John Thornton's main goal has been to promote Kimball in the most positive way possible.

Since his arrival last year as principal, Dr. Thornton has worked to make Kimball first in all academic and extracurricular activities. His encouragement in the classroom, on the athletic field and at the meeting sites has not gone unnoticed nor unappreciated.

Dr. Thornton holds a B.S. and an M.Ed. from N.T.S.U. and a Ph.D. from Nova University.

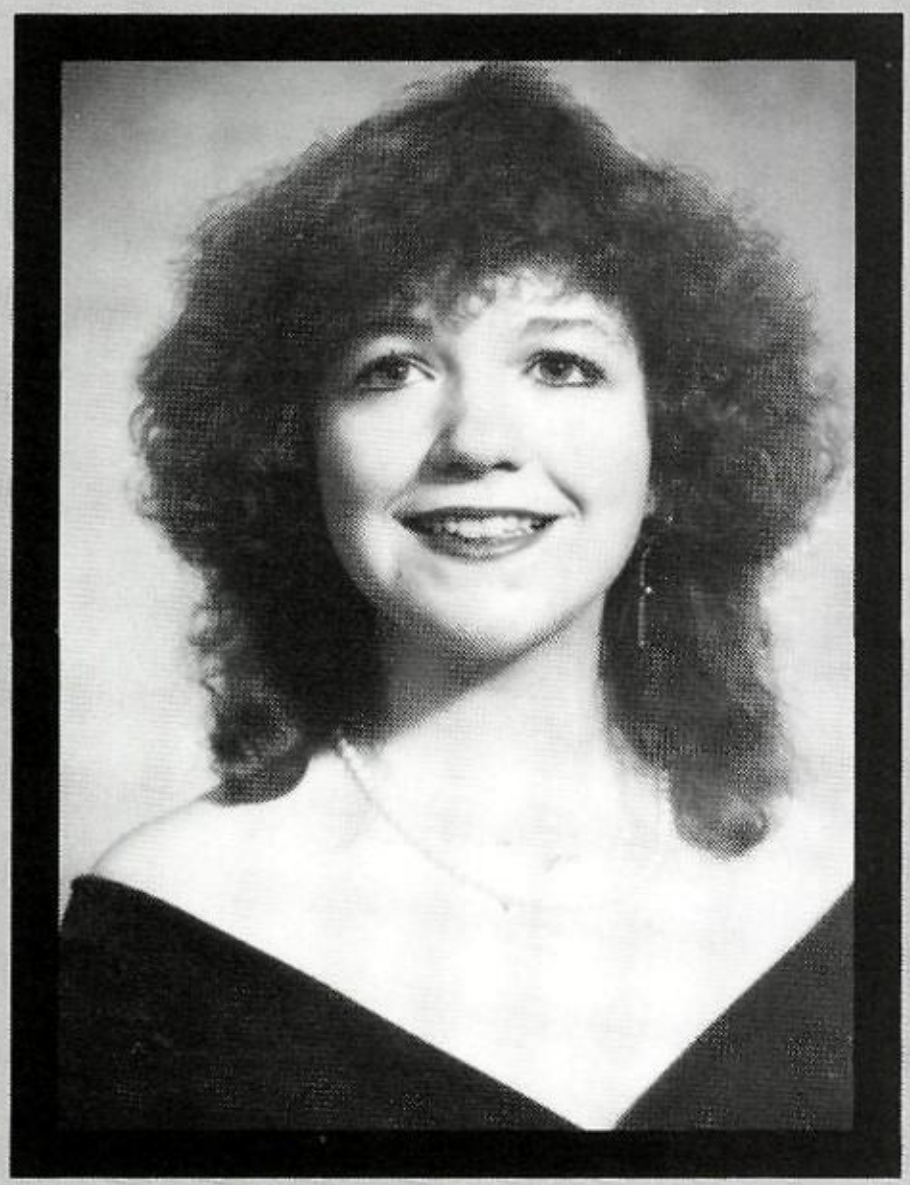
TWELVE KNIGHTS ELECTED TO ROUNDTABLE

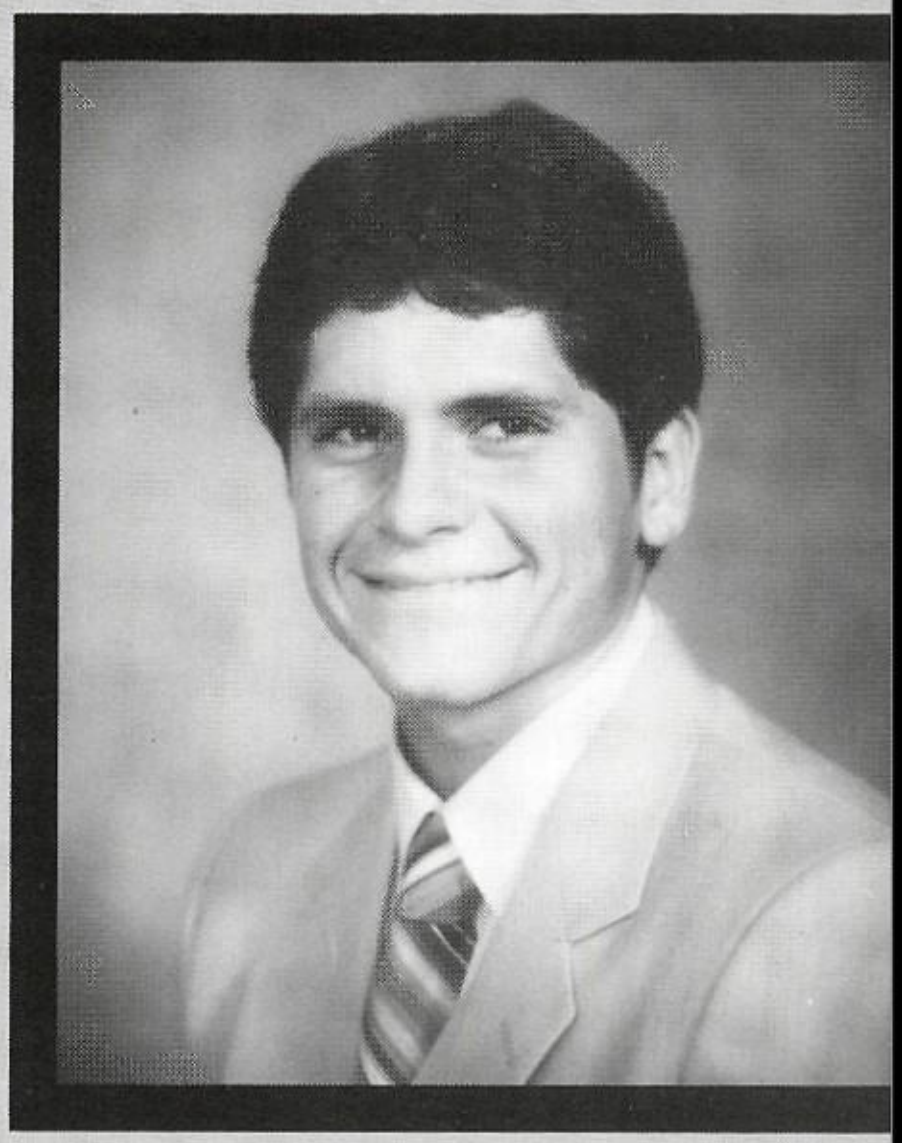


Jennifer Chambers

If all the world's a stage, Jennifer Chambers is on of its star performers. Her hours of dedication to Kim ball's Fine Arts Department are evidenced by he numerous appearances in plays and productions. Sh served as the president and historian of Thespians was a member of Chorale and played a vital role in th New Tyme Singers. She also served on two steerin committees, was active in El Sol as treasurer, belong ed to the Science Club and Women's SOS, and wa elected to membership in the Spanish National Hono Society. In addition, her classmates voted her Witties Senior Girl. Jennifer will be best rememberd for he originality in character and appearance and as a pe son who was never afraid to take risks if it meant be ing her true self.

Jeffrey Coleman

The person in charge often has the most difficult job around, and it takes a special individual to handle the criticisms and responsibilities that come with the territory. The Senior Class was lucky to find a rare person such as Jeff Coleman to lead them as president. In spite of the pressure he often felt, he never lost his wit or sense of humor. In addition, he devoted much energy to the success of the baseball team where he earned two letters, as well as to the activities of the Student Council. He actively participated in Entre Nous, FCA, SOS, Band, and Woods and Water. The enthusiasm with which he met the task of running the Senior Class did not go unnoticed by his peers, as they elected him Best All Around Senior Boy.



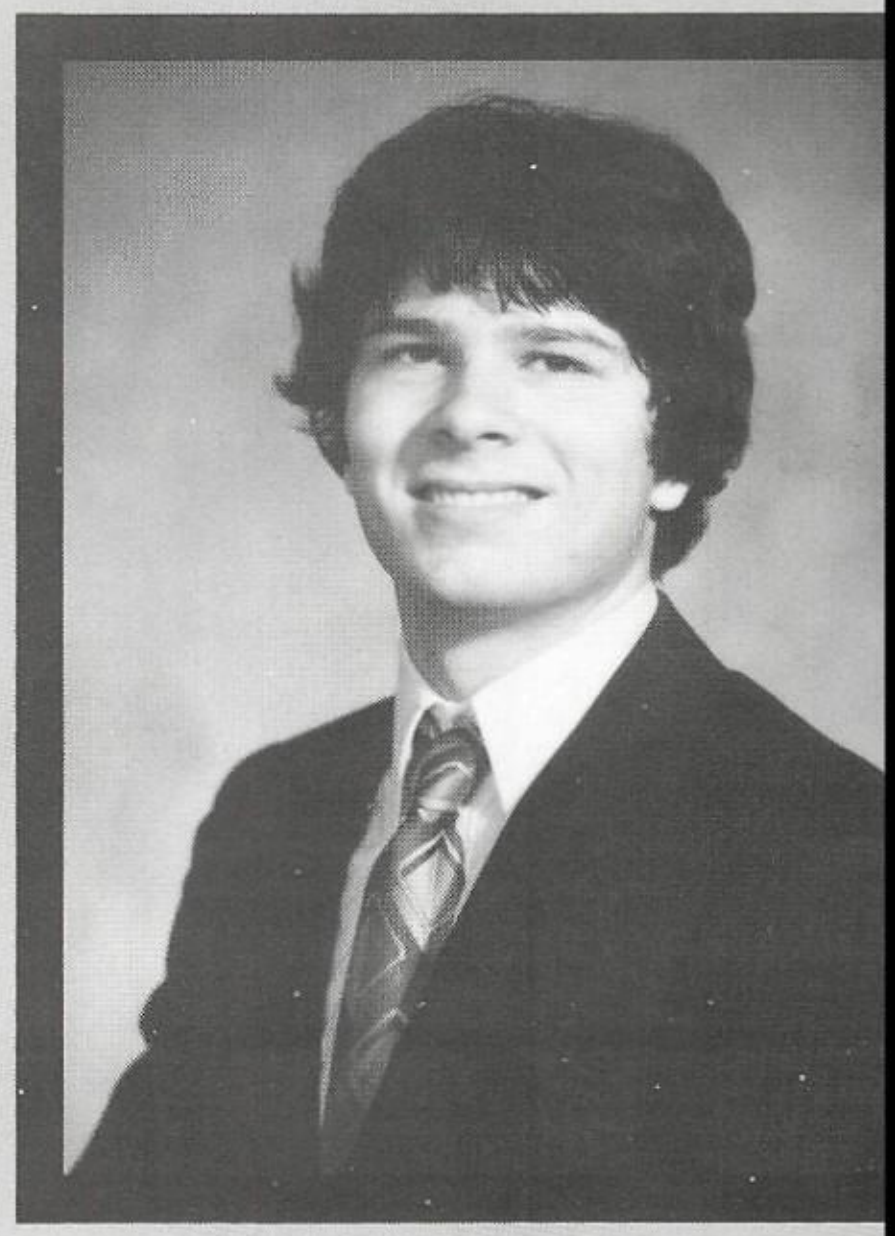
Martha DeHoyos

Although small in stature, Martha DeHoyos was never overlooked in a crowd. Compressed into a tiny frame, her exuberant personality and winning smile stole the spotlight whenever she performed as a JV or Varsity cheerleader. She was one of the hardest working members of the Student Council and played an active role in Entre Nous, FHA, FCA, the Science Club and the band. She also contributed her ideas and talents to improve the junior and senior steering committees. Martha's quest for excellence was not limited to extracurricular activities as she was elected to membership in the National Honor Society during her junior year for her academic achievements.

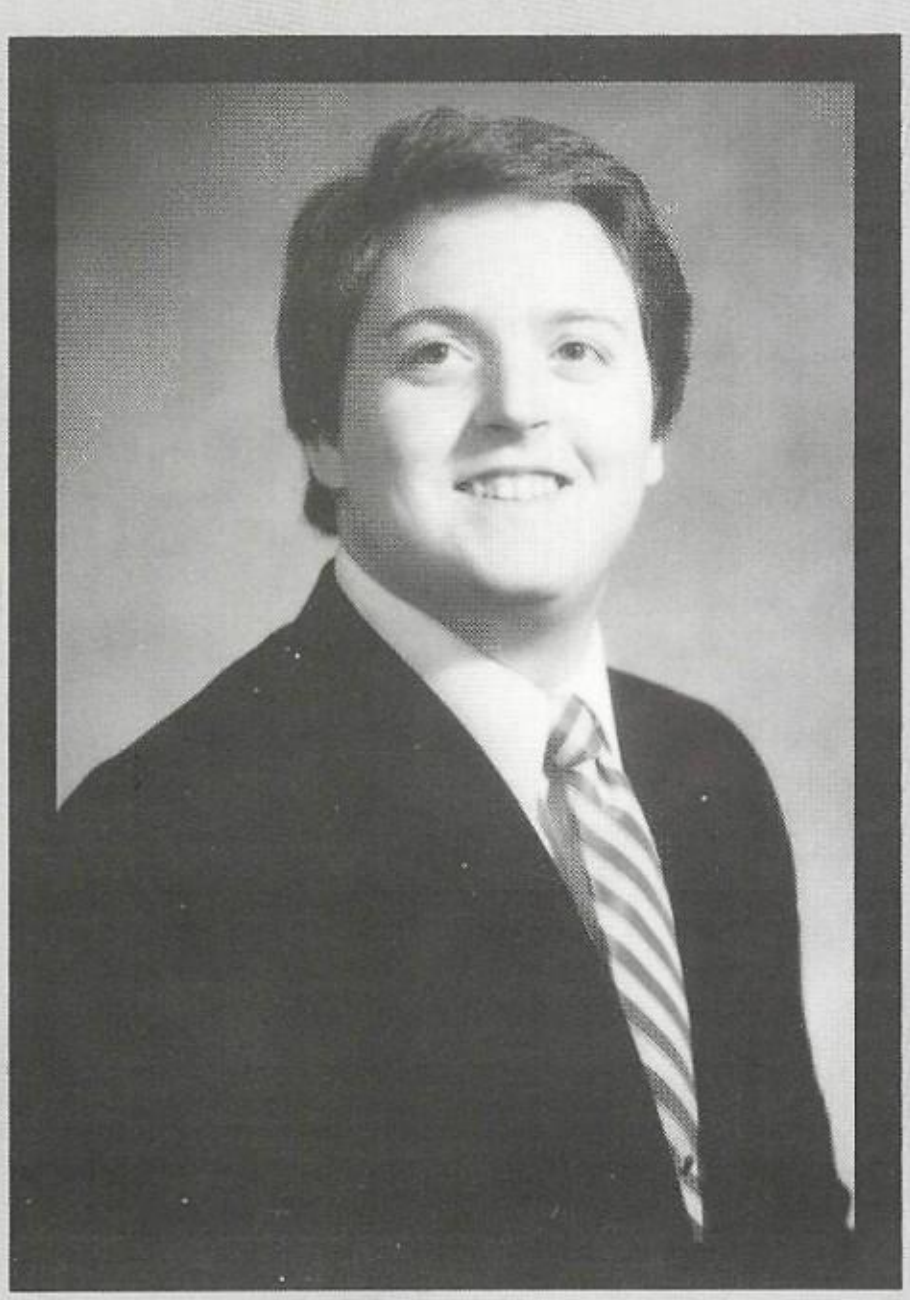
Monica Franklin

Whoever said that beauty and brains don't mix has never met Monica Franklin. Always near the top of her class, Monica was a member of the National Honor Society, Spanish National Honor Society, a National Merit Finalist and the class Salutatorian. Academics, however, were not her only road to success as she was vice president of Chorale, a member of the New Tyme Singers, and Editor of Kimball's literary magazine, *Idylls from the Tower*. She was actively involved in all four steering committees, El Sol, FHA, FCA, Women's SOS and lettered her junior year on the swim team. Monica's fellow classmates summarized her future when they elected her Senior Girl Most Likely to Succeed.

Russell Jackson

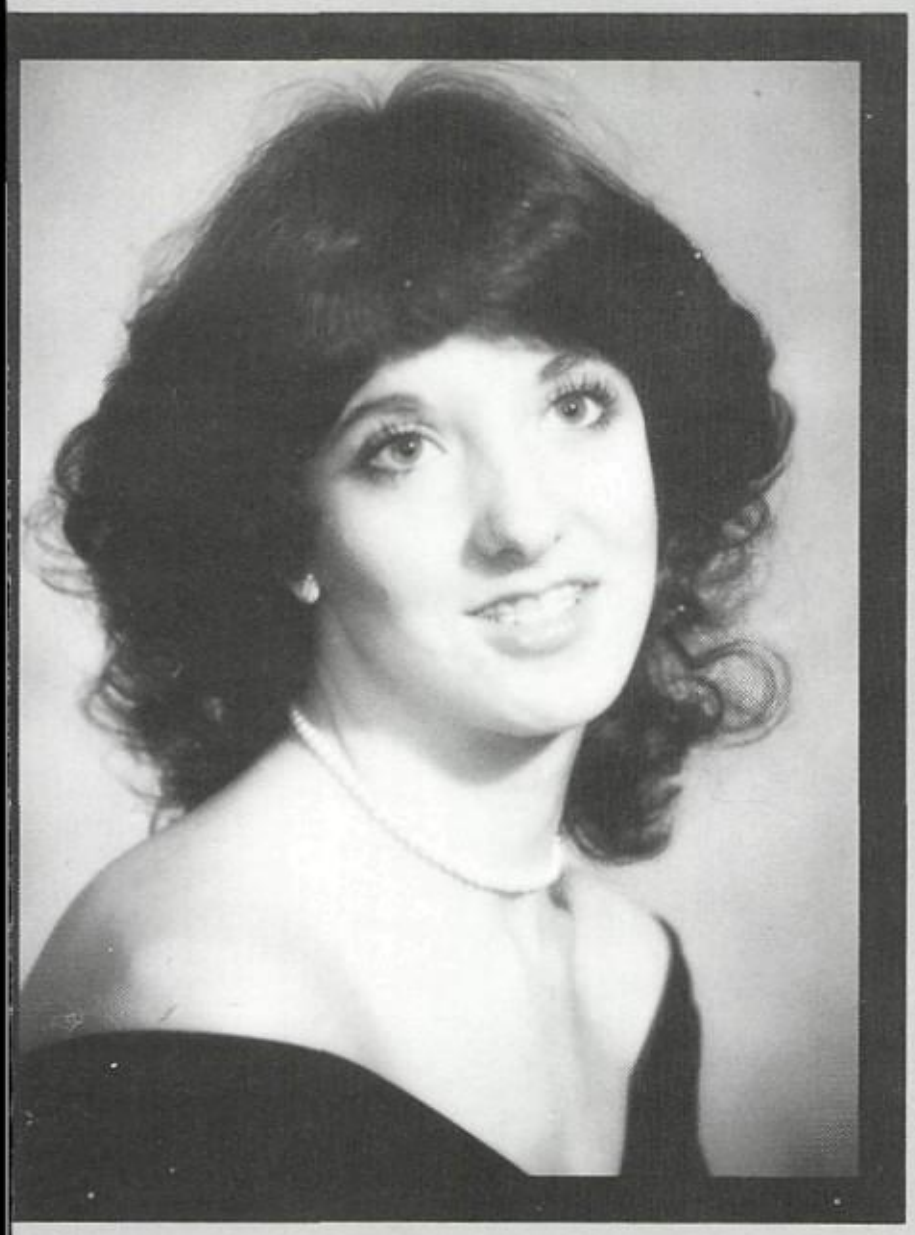


Quietly pursuing the excellence in education that eluded most of his peers, Russell Jackson spent his first three years at Kimball in relative obscurity. However, as in any field when you are the best, people eventually began to take note of Russell, for he was at the top of his class, graduating as Valedictorian. He earned the distinction of National Merit Finalist and recipient, and was of course elected to the National Honor Society as a junior. He participated in the Chess Club and represented Kimball well as a member of its Whiz Quiz Team. By the end of his senior year, most Kimballites recognized and respected Russell's academic achievements and he was selected Senior Boy Most Likely to Succeed.



Kevin Knippa

Kimball's music department benefited the mos from Kevin Knippa's four years here. His dedicatio and work in the Marching Band, Orchestra, Knigh Beats and Wind Ensemble added to the excellence o each. From these, he gained individual recognitio when he earned all-city and all-region honors in o chestra. His academic prowess brought membershi in the National Honor Society and distinction as a N tional Merit Semi-finalist. Participation in Woods an Water, Pathfinders, Allerei, Corona Eximia, and th Juggling Club rounded out Kevin's list o achievements at Kimball.

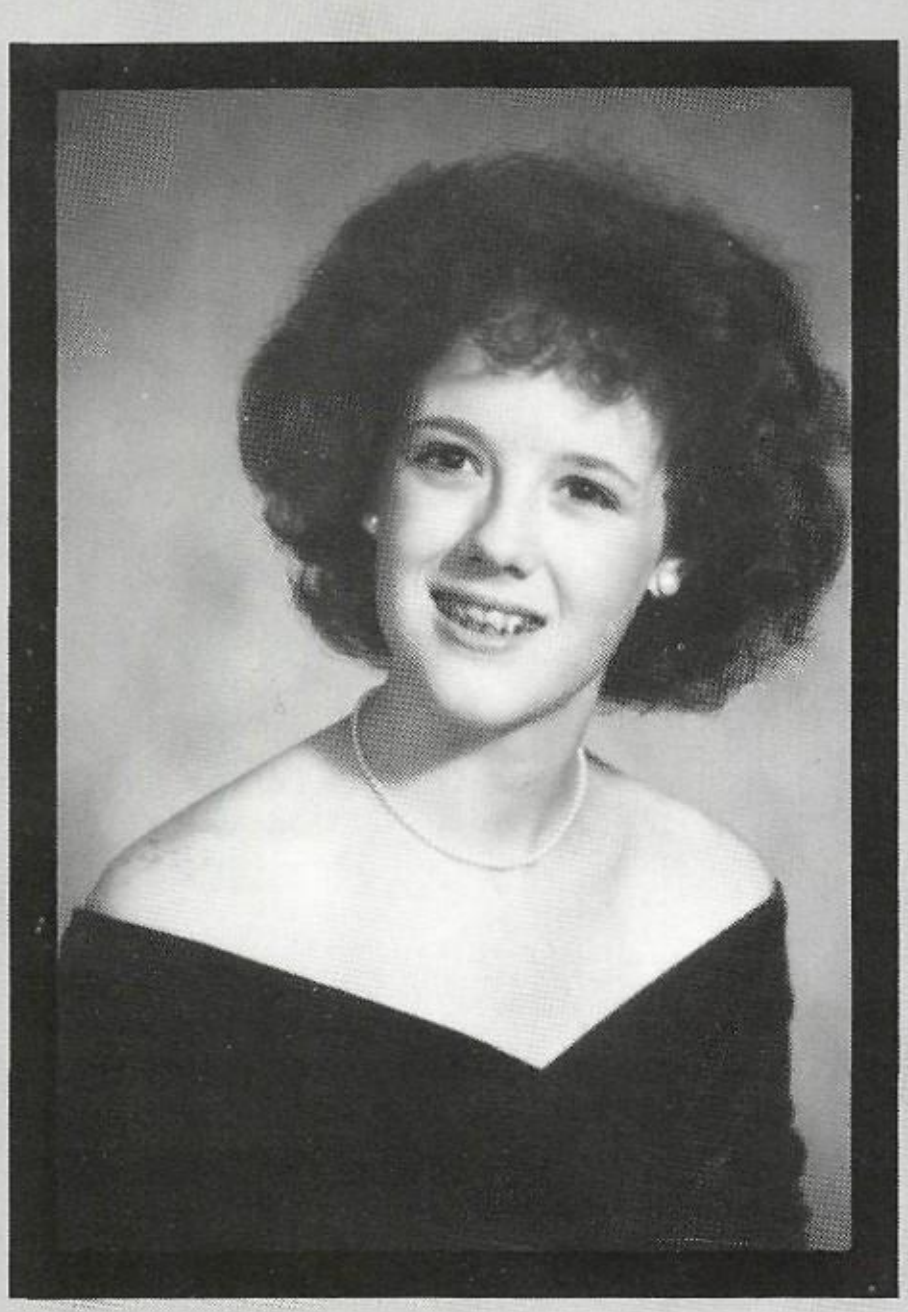


Bobbie Martin

A vibrant smile and an outgoing personality were the traits that earned Bobbie Martin the honor of Most Popular Senior Girl. Constant work and effort made her the driving force behind the success of the Troubadears over the past two years as she served as the first ever junior lieutenant and then as captain her senior year. Selected as Miss Drill Team North Texas, Bobbie finished eleventh in the national competition. She quarterbacked the Troubs to victory over the Bisonettes in the Powder Puff game and was a contributing member of the girls' track team. She also added her talents to the Fantasy Factory, FCA, and as vice president of Entre Nous. Bobbie's peers acknowledged her true beauty by voting her Senior Homecoming Princess.

Melinda Mayben

Hard work never scared Melinda Mayben and countless Kimball organizations reaped the fruit of her endeavors. Musically, she devoted time to the Orchestra, Wind Ensemble, Concert Band and served as a squad leader for the Marching Band. She increased the effectiveness of the Student Council by serving two years as parliamentarian, actively participated on all four steering committees, and served two terms as president and another as vice president of Corona Eximia. Long hours were devoted to *Idylls from the Tower,* where Melinda served as Layout Editor for three years. Despite this list, she still found time to keep her grades up and was elected to the National Honor Society as a junior. Melinda will be best remembered for her quick wit and jovial sense of humor.



Christina Melton

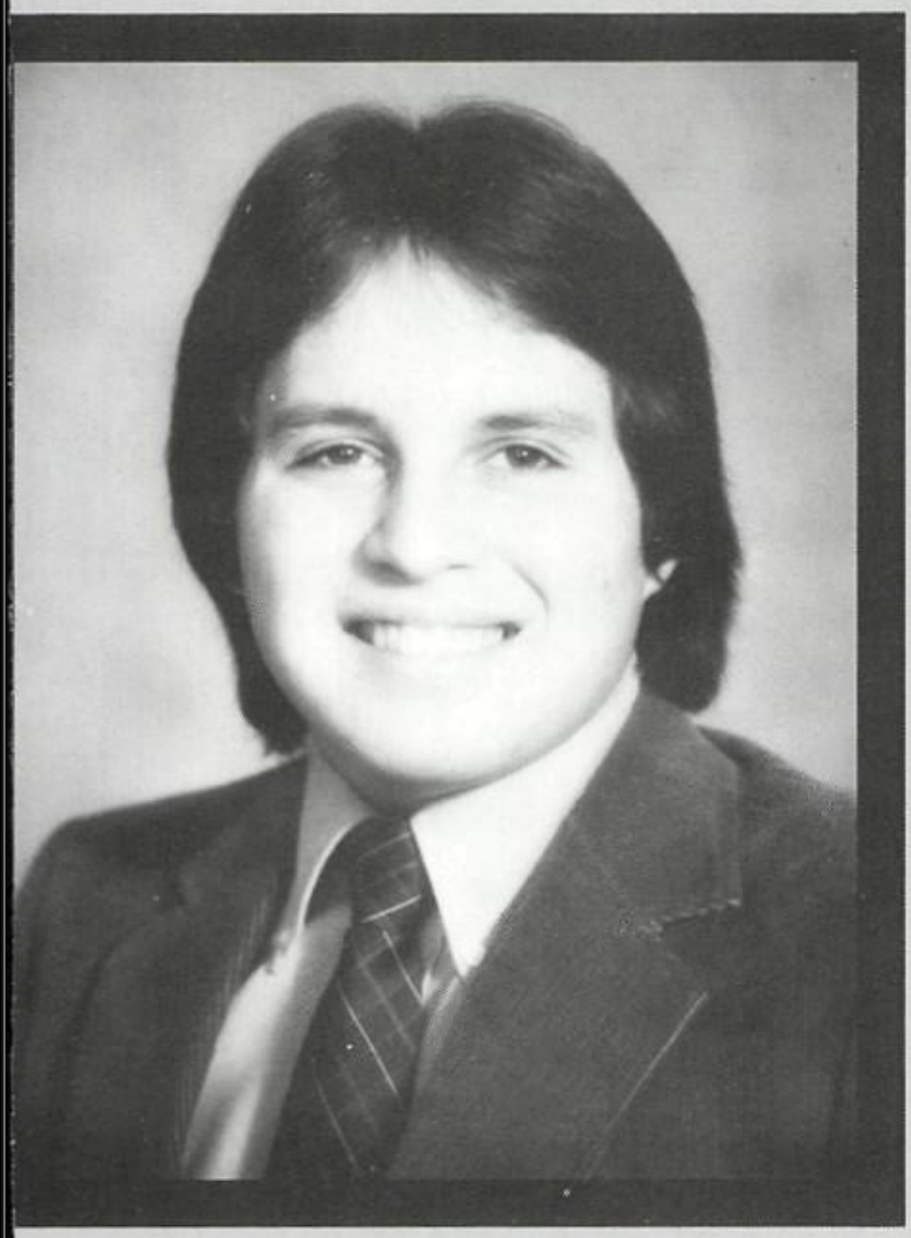
Now that Christina Melton has graduated with high honors, perhaps she deserves a year off to catch up on all the sleep she must have missed over the past four years of total involvement at Kimball. She served as National Honor Society secretary, *Idylls from the Tower* assistant editor and business manager, Junior Class treasurer, and Troubadear lieutenant. All four steering committees benefited from her work. Musically, she participated in Marching Band and Flag Corps but she received the greatest acclaim for her singing ability. A member of New Tymes and president of Chorale, Christina was selected to the all-district -area, and -regional choirs and also won UIL and DISD solo competitions at the local and state levels. Not surprisingly, she was recognized as the Most Talented Senior Girl.

Laura Phillips

Never satisfied with letting others do the work, Laura Phillips immersed herself in a variety of organizations while at Kimball. Involvement in the Marching Band, Orchestra, Concert Band and Wind Ensemble brought all-city and all-region honors to Laura. She demonstrated leadership skills as president and vice president of Allerei, secretary of the Student Council and as a member of all four steering committees. As the prose editor of *Idylls from the Tower,* Laura played a vital role in the production of the magazine. Finally, her academic abilities were rewarded by her induction into the National Honor Society.

Denise Stiger

Maturity, responsibility and willingness to get the job done are the traits that distinguished Denise Stiger from her contemporaries. Elected as the Senior Class secretary, she took her duties seriously and worked to successfully complete her tasks. Journalistically, she served on the Knight Life staff and her contributions to the *Excalibur* sports staff are among the highlights of that section. She was involved in El Sol, Y-Teens, FBLA, FCA, the Science Club and V.O.E. In addition, she was an active member of all four steering committees and was a Women's SOS Board Member. Athletically, Denise served as a JV and Varsity Basketball team manager as well as a member of the JV and Varsity Volleyball teams where she earned two letters and served as captain her senior year.



Michael Webster

Perhaps it is fitting that the final member of the Roundtable served as Kimball's knight, Sir Justin, for Mike Webster embodied those qualities once essential for knighthood. His tenure as the school mascot was carried out with energy and vitality. Academically, Mike served as treasurer of the National Honor Society and as a member of the Spanish National Honor Society. He also worked on his junior and senior steering committees, was a member of Woods and Water, and was president of FCA. As a junior, he contributed his efforts to the Troubadears as one of their grips. Finally, Mike devoted a large percentage of his energy to the JV and Varsity Soccer teams and was a two year letterman. The tradition of excellence symbolized by Sir Justin was successfully continued by Mike Webster.

D. — I'm glad I accepted your luncheon invitation and I'll never forget 253 at H.I. I guess your dreams really can come true. Love Always, C.

REFLECTIONS

REFLECTIONS FROM THE ADVISOR

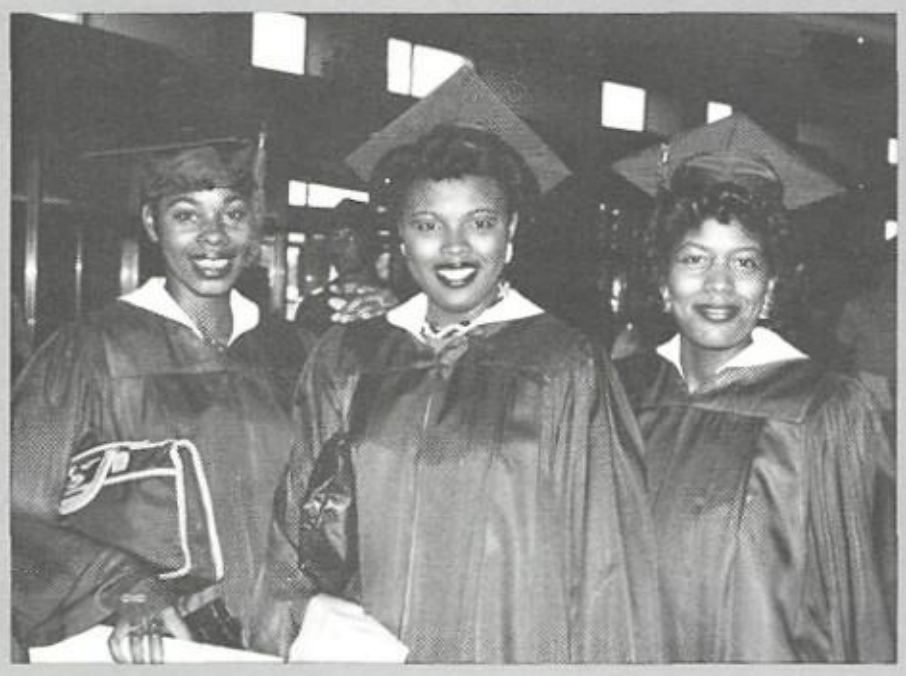
Almost one year ago, the editors and I sat down to select a theme for the 1984 *Excalibur*. Since the year marked the beginning of Kimball's second quarter century and the decision was made to move to a fall delivery date, the theme of "A New Beginning" was chosen. I must emphasize that the decision to change the delivery date from May to August was mine. I felt that for the majority of Kimball students, the activities during the spring of their senior year were among the most important of their lives, and that leaving out everything from February on, as had been done in the past, was unjust. Only time will tell whether this observation was accurate.

At the time we selected the theme, I had no idea how appropriate it would be for me personally. As I write this message, I am faced with the challenge of "A New Beginning." My seven years at Kimball were filled with love, laughter and countless memories. I came here as a student teacher, two months after I turned 20, and leave as a far wiser and, hopefully, much improved teacher. Leaving, however, is the most difficult thing I've ever had to do. There are so many things and so many people that I will desperately miss, but change is a part of life.

In reflecting on my tenure here, I can't help but wonder if I have been a successful teacher. The term is such a difficult concept to define that I have included below one man's idea of success. You must judge how close I came to the elusive goal.

To laugh often and love much;
To win the respect of intelligent people
and the affection of children;
To earn the approbation of honest critics
and endure the betrayal of false friends;
To appreciate beauty;
To find the best in others;
To give one's self;
To leave the world a bit better, whether by
a healthy child, a garden patch, or a redeemed social condition;
To have played and laughed with enthusiasm
and sung with exultation;
To know even one life has breathed easier because you have lived —
This is to have succeeded. — Ralph Waldo Emerson

Good luck and God bless all of you. I wish you happiness, love and success in the future.
— Conni Durbin



LAST WORDS

The finishing of the annual went much different this year. The changing of our delivery date from May to August gave us much more time to produce the yearbook. I enjoyed being on the yearbook staff. It has been an experience for me that won't soon be forgotten. With a bigger staff things were a bit crowded, but we managed. To my staff, I'd like to say "Thanks" for enduring until the end the task of finishing the annual.

Angela Fields
Co-Editor-In-Chief

A final editors' meeting; Front Row: Angela Fields, Tonya Washington, Mario Contreras Second Row: Darla Speck, Becky Rios, Paula Hogan, Gina Deal and Ann Stewart.

The *Excalibur* staff started out this year with ar almost entirely new staff. Most of us barely knew more than 3 or 4 of the others, but that soon changed As the editors and staff and advisor learned to work together, we became special friends. Everyone on staff has cooperated with each other; and this is most important, because without team effort, we would have nothing. This year we had some first-time opportunities to change the yearbook and update it, and the editors and staff have adapted well to this change. With all the problems we endured and all the great times we enjoyed, we found that working toward a common goal is what makes the *Excalibur* staff succeed.

Ann Stewart
Co-Editor-In-Chief

Being on staff this year was a real experience, but I loved it! Who ever said that being an editor wasn't difficult? We all had a hard time getting it together but in the end I think it came out okay. We owe an awful lot to Mrs. Durbin for coming up with some snappy ideas and saving our skins more times than we can remember.
P.S. Okay, all you seniors, Kimball has put its best foot forward, so go out there and become the superstars that you were meant to be! We'll be rooting for you!

Gina Deal
Sports Editor

Being on the *Excalibur* Staff this year has been a memorable experience. I enjoyed working with and getting to know the people on staff. There were some hard times and a few disappointing problems, but those were eventually worked out through team effort. Some of those problems brought the staff closer together. I've made several new and lasting friendships on staff and regret that I had only one year to work with them. But when I look at the *Excalibur,* I will remember all the fun I had. I'd just like to say "Thanks" to the people who helped me with the ads and pictures. I hope when you, the student body, look at the 83-84 *Excalibur,* you will remember the fun times you had at Kimball.

Paula Hogan
Advertising Editor

While traveling through life, certain people have the chance to make a mark upon this world. Authors have their books, artists their works of art. They all have something they can show to others and say, "Here, look what I did." But what about the common man? As we work with our friends on the *Excalibur* staff, we are given the chance to help others remember their old friends, to bring back to them a treasured memory, or to even bring a tear to someone's eye. So here Kimball, look what we did.

Troy Boris
Copy Editor

Being a part of the *Excalibur* staff for two years has allowed me to realize what a challenge it is to put a yearbook together. I have faced many struggles, and with the help of friends, and especially Mrs. Durbin, I have successfully done my part to the best of my ability. I am also looking forward to working with our new instructor next year and I hope next year's staff will be as close as we were this year. It really helps to know people are behind you and are ready to help. I feel all of the hard work has paid off and you will clearly see the results by this year's *Excalibur.*

Becky Rios
Album Editor

Legends and traditions from the past which have become firmly rooted in the present can be limiting to future progress. This year's annual began to expand and grow, breaking away from the stifling customs of the past 25 years. Working with the yearbook this year has been like a breath of fresh air. I'm sure more new, fresh ideas will be put to use in forthcoming annuals as more old traditions are discarded and space is gained.

Darla Speck
Organizations Editor

This year's staff is the biggest staff that the annual has ever had. Even though the new staff members outnumbered the old, I think we had everything under control. Along with the complications that every staff has, we also had fun. I wish the best for the staff next year and can't wait to see the 1985 yearbook.
